ATTENDANCE SHEET (29/06/2023)

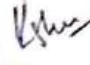

- 1) Dr. Karishma Kasane 
- 2) Ms. Priyadarshan Shode 
- 3) Mr. Iyer P. V 

Date: February 12, 2024

Time: 12 noon to 1:00 pm

Venue: Staff room

Attendees:

Dr. Rashmi – Coordinator and Assistant Professor 

Prof. Saran Raj Natarajan (Assistant Professor) 

Ms. Jaishna (Assistant Professor) 

Ms. Muskan (Assistant Professor) 

Ms. Sonika Asst. (Assistant Professor) 

Prof. Pranav Singh Kushwaha (Assistant Professor) 

Agenda Points:

- All staff members were instructed that it is mandatory for each faculty member to conduct one class test per week on the scheduled day for their respective subject. Tests should cover a small topic, preferably a single question to focus on specific concepts. In the event of a holiday or leave on the test day, faculty members are instructed to reschedule the test for the next working day. The goal is to maintain consistency with one test per week.
- Emphasized the importance of regular contact with parents, especially when students are consistently absent from tests. Communication will provide insights into potential challenges and encourage parental involvement.
- Faculty members are required to update the shared drive regularly with attendance and test performance records. This centralized system ensures effective tracking and collaboration.
- Faculty members are expected to share progress and performance reports of their students at the end of February and March. This allows for a comprehensive overview of each student's development.
- Preliminary exams for Sem 6 will be planned. Details on the structure and scheduling will be communicated in subsequent meetings.
- Scheduled remedial classes for Sem 5 KT students. Faculty members are urged to ensure compliance with the schedule and provide additional support to help these students catch up.
- Faculties to update TY-internal viva marks in the drive shared with them.
- New faculties were instructed to update their details in website by coordinating with Manali Mam.

Action items:

- Conduct one class test per week, focusing on a small topic.
- Regularly communicate with parents, especially for consistently absent students.
- Keep the shared drive updated with attendance and test records.
- Share student progress reports at the end of February and March.
- Ensure adherence to the schedule of remedial classes for Sem 5 KT students.
- Provide extra support to help Sem 5 KT students catch up.

REPORT OF STATE LEVEL ONE WEEK FDP ON RESEARCH METHODOLOGY

The State level one week FDP on “Research Methodology” was organized by IQAC & Research Cell of Sree Narayana Guru College of Commerce in association with Sree Narayana Guru College of Education was started from 21st to 26th August, 2023 with the objective to equip the faculties with essential skills and knowledge to conduct effective research. 48 faculties of different streams belonging to higher education institutions situated in various parts of the Maharashtra State contributed to the success of the programme by their active participation and keen interaction.

I am honored to stand before you today to summarize the one-week Faculty Development Program (FDP) on Research Methodology that we have just completed. This intensive program has been a transformative experience for all of us, and I would like to highlight some key takeaways.

First and foremost, this FDP has emphasized the importance of research in academia. Research is the bedrock upon which knowledge is built, and it is through research that we can address the challenges facing our society and contribute to its betterment.

During this week, we delved deep into the various aspects of research methodology. We learned about different research paradigms, research designs, and data collection methods. We explored the nuances of qualitative and quantitative research, and we gained a comprehensive understanding of how to formulate research questions and hypotheses.

One of the crucial aspects of this FDP was the focus on ethical considerations in research. We understood the importance of conducting research with integrity, ensuring the rights and well-being of research participants, and maintaining academic honesty.

The first day of FDP handled by Dr. Mona Mehta, IQAC Coordinator and vice principal of Nagindas Khandwala college, Mumbai, She gave a clear idea of technical writing in research. She explained the goal and key aspects of technical writing in research.

The Second day of the session led by Dr. Amrita Aggarwal, her profound expertise was vividly displayed as she delved into multifaceted dimensions of research publication sources.

The third day of the session led by Mrs. Sonali Vatkar, Librarian, Nagindas Khandwala college, Mumbai. Sonali madam not only provided theoretical insights but also conducted practical demonstrations offering hands on training to the participants.

The 4th and 5th day of the FDP had the hands on session on Jamovi software, which is an open source statistical package that provides user friendly interface for analyzing the data. Dr. Madhukar Delvi sir, Assistant professor, Nagindas Khandwala college, Mumbai, shared his expertise through PPTs and interaction with the participants. His style of explanation was quite enriching and motivating for the participants.

The final day of the FDP handled by Dr, Maushmi Datta, Principal Nagindas college, Mum dai, on the topic of ‘ Overview of Research Methodology Including Ethics. She brilliantly explains different types of research methodology and ethical considerations for different stakeholders.

In conclusion, this one-week FDP on Research Methodology has equipped us with the knowledge, skills, and ethical foundation necessary for conducting meaningful research. As educators, researchers, and scholars, we have a responsibility to contribute to the advancement of knowledge, and this FDP has provided us with the tools to do just that.

I would like to express my gratitude to the management, organizers, facilitators, and fellow participants for making this FDP a success. Let us take the lessons learned here and apply them to our research endeavors, ultimately contributing to the growth of our academic community and the betterment of society as a whole.

Report of the Orientation Session for FYBAF by BAF Department

The FYBAF orientation session for the academic year 2023-24 was successfully held on 17th July 2023, with 73 students in attendance. The event aimed to welcome and motivate the new batch of students, introducing them to faculty members and various committees that would support their academic and extracurricular activities throughout the year. The session began with a welcome address by the BMS Coordinator, who emphasized the importance of the FYBAF program and outlined academic expectations. Following this, the Cultural Incharge spoke about the various cultural activities and events available, encouraging students to engage in extracurricular activities to enhance their college experience. The NSS Program Officer (NSS PO) provided an overview of the National Service Scheme (NSS), highlighting past activities and encouraging students to join community service initiatives. The BAF Coordinator addressed the students, providing insights into the Bachelor of Accounting and Finance (BAF) program, discussing the curriculum, career opportunities, and available support to excel in their studies. Additionally, the FYBAF class teachers were introduced, each discussing their subjects and how students could approach them for academic support. The session concluded with an interactive Q&A segment, allowing students to ask questions and clarify doubts. The event was well-received, with students expressing enthusiasm and eagerness to begin their academic journey in the FYBAF program. The participation of the Cultural Committee Head, NSS in charge, and other program coordinators played a crucial role in motivating the students and providing them with a clear understanding of the various opportunities and support systems available.
