

Sanskriti (Intra-collegiate Festival) Report

Cultural activities amplify the confidence level for students, which allow them to perpetrate. This will develop their personage and abet for a better career. **Sanskriti- 2022** is an intra-collegiate festival that is organised every year for our students to showcase their skills and it gives them an opportunity for overall development along with academics. We had total of 15 events in the one-day intra-collegiate cultural festival.

The function was started with seeking the blessings of the almighty through a prayer and the auspicious lighting of the lamp.

The program was continued with the welcome address by our beloved Principal Dr. Ravindran Karathadi and followed by breaking the auspicious coconut to declare the event open.

The inauguration program was followed by flash mob by our cultural students.

We had 15 events scheduled at different timings for maximum students to participate such as debate to test the communication and leadership skills of our students

PowerPoint presentation to test the confidence and innovation skills in our students

Sudoku to test the critical thinking and logical reasoning skills of the students

Nail art, bridal and groom, Mehndi, IT quiz & Debugging, face painting, accounting knowledge test etc were also held to check the creative skills , IT and accounting skills of our students

We also had kept food stalls, fun games (All in a minute) and singing events.

The program went well and we required good number of participations, inspite of First year examinations scheduled from the next working day. **Total of 189 students** participated in all the events. All the credit for the success of the event goes to the cultural team of students and teachers and a special thanks to our mentors Shri Sasidharan sir & our principal sir, without whose guidance and motivation, this would not be possible. A special mention to all the teachers who managed all the given events very wonderfully and our non-teaching staff who helped us in facility management.
