**SREE NARAYANA GURU COLLEGE OF COMMERCE
P. L. LOKHANDE MARG, CHEMBUR, MUMBAI – 400089**

**Report on the “Life Skills , Corporate Culture and Happiness Index”
conducted by Department Of Commerce of SNGC**

Date – 07th . November ,2023

Venue: Seminar Hall - 1st Floor

Timing: 11:00 am - 1:00 pm

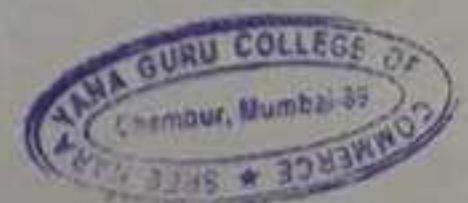

A recent session organised by the Department Of Commerce aimed at equipping students with essential life skills, insights into corporate culture, and strategies to enhance their overall happiness index proved to be a transformative experience. The session sought to bridge the gap between academic knowledge and real-world application, empowering students to navigate the challenges of both their academic journey and future professional endeavours.

Life Skills:

The session commenced with a focus on life skills, recognizing their pivotal role in personal and professional development. Professors emphasised the importance of communication, time management, problem-solving, and emotional intelligence. Practical scenarios and interactive activities provided students with hands-on experience, enabling them to apply these skills in various aspects of their lives.

Corporate Culture:

Understanding the nuances of corporate culture emerged as a crucial component of the session. Students gained insights into the diverse facets of corporate environments, ranging from teamwork and leadership to effective communication and workplace etiquette. Real-world examples and case studies illustrated the impact of corporate culture on career progression and job satisfaction.

Happiness Index:

Recognizing the correlation between personal well-being and professional success, the session devoted significant time to exploring the concept of a happiness index. Professors elucidated the factors that contribute to a fulfilling life, both inside and outside the workplace. Strategies for managing stress, fostering positive relationships, and maintaining a healthy work-life balance were discussed. The session underscored the idea that a high happiness index is not only conducive to personal contentment but also enhances productivity and creativity in a professional setting.

Interactive Learning:

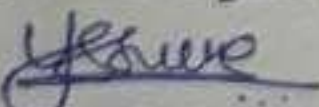

The success of the session was amplified by its interactive approach. Professors encouraged open discussions, group activities, and Q&A sessions, fostering a collaborative learning environment. Students actively participated in role-playing exercises, team-building activities, and reflective discussions, making the session engaging and applicable to their individual experiences and aspirations.

Conclusion:

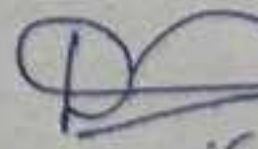

In conclusion, the session on life skills, corporate culture, and happiness index orchestrated by college professors was a resounding success. It equipped students with valuable tools to navigate the complexities of both their academic and professional journeys. By intertwining theoretical knowledge with practical applications, the session not only enhanced the students' understanding but also instilled in them a sense of purpose, resilience, and optimism as they embark on their future endeavours.

SREE NARAYANA GURU COLLEGE OF COMMERCE

P. L. LOKHANDE MARG, CHEMBUR, MUMBAI – 400089

Report on the Menstrual Hygiene conducted by the Women Development Cell along with IQAC

Date – 18th December, 2023.

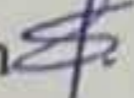

Venue- Classroom – 7th floor (705).

Timings- 11:00 am to 1:00 pm

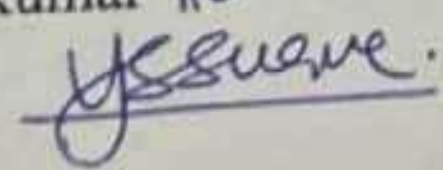

All of our college's female students participated in a special session on menstrual hygiene, which was a major step towards promoting an awareness and empowerment culture. The goal of the seminar was to clarify misconceptions, offer useful information, and encourage a positive outlook about menstruation. The Menstrual Hygiene Session and Hygiene Kit Distribution have shown to be an essential step in empowering, educating, and shattering taboos for our college's female student body. By creating a climate of transparency and understanding, we hope to improve our children's general wellbeing and sense of self. This program not only supports mental well-being but also physical health, which will help to create a generation of young women who are more aware of their surroundings and self-assured.

147 Students were Benefited and received a hygiene kit in the workshop.
