UNIVERSITY OF GALWAY

All non-EU/EEA and UK nationals are required to register with the Garda National Immigration Bureau (GNIB) within 30 days of their arrival in Ireland. Before registering with the GNIB, students are required to register with the University and collect a letter confirming their student status from the International Office at University of Galway.

Proof of medical insurance is also required, find out more about the options available on our [website](#).

Internships

The University will secure internship opportunities for students enrolled on programmes with an internship component. However, shortlisting for internships is at the discretion of the employer. For students who do not secure an internship an alternative module will be offered in lieu of this component to successfully complete the programme.

Methods of Payment

International students can pay their deposit or tuition fee from their home country in one of two ways:

Option 1: TransferMate

Students from beyond the EU/EEA and UK should pay their tuition fee through the TransferMate website <https://universityofgalway.transfermateeducation.com/>. TransferMate payments usually take less than 48 hours and the receipt is accepted as proof of payment of tuition fees by the Irish National Immigration Service (INIS) for study visa applications and at the point of entry to Ireland. TransferMate also avoids international bank charges and as you pay in your own currency, the University receives the exact amount owed. If you have any issues using this service, please contact the Fees Office (fees@universityofgalway.ie).

Option 2: Bank Transfer

Alternatively, international students can also pay their tuition fee by international bank transfer using the following details:

Bank:	Bank of Ireland, 43 Eyre Square, Galway
A/C No:	28454143
A/C Name:	National University of Ireland, Galway
IBAN:	IE43 BOFI 9038 1628 4541 43
Sort Code:	90-38-16
Swift Code:	BOFIE2D

Please ensure you quote your 8-digit application number on all transactions. Please note that the processing time and the fee for sending international wire transfers may vary from bank to bank. Please allow for up to 10 working days for processing if paying by bank transfer.
