Event name: Trekking

Venue – Karnala Bird Sanctuary, Panvel.

Timings – 6 am to 5 pm

Sports Committee had organized Trekking for first year students on 18th September, 2023 at Karnala Bird Sanctuary, Panvel. Students of second and third year visited this place earlier. So, this time we had planned to take only for first year students. We had booked 1 bus. Students had to report to college at 6 am in college ground. Started our way to Karnala Bird Sanctuary at 7 am. After reaching to Karnala Bird Sanctuary, started walking and climbing to reach to the peak point. For the trekkers the Karnala Fort Trail is the best. The bird sanctuary is a popular destination for bird-watchers and hikers in the Mumbai area. The Sanctuary area is covered with mixed deciduous forest. The Shiva temple is situated near to Karnala bird sanctuary is a popular Shiva temple worshipped by the devotees on a large. Saw peacock dancing, rabbits, mongoose & some colourful birds singing. Food for monkeys was taken by us, as monkeys there crave for food. It was a very delightful experience to watch monkeys feeling so happy by the food given by us.

It took 2 hours to climb to the peak point. Point is full of nature and adventurous view. It was an adventurous activity for the students. Students helped each other to climb and descend the mountain. Monsoon provides the best climate and the best views full of clouds. Although it was raining, students were full of spirit and happy. Students learnt the value of Team work because it is not possible to reach the top of the mountain without working together. All students reached home safely. The feedback form was circulated after the event. All the students gave Excellent Feedback. Students were asking for more such activities. Total 54 students were on Trekking with 2 faculties: Sports Incharge Mrs. Punam Mujwar and Ms. Nahid Shaikh (Sports committee member) and Gymkhana Incharge Mr. Sachin Lembhe.

It was really an adventurous and amazing experience.
