EXECUTIVE SUMMARY

MasterSoft is undertaking the proposed implementation of a **Dynamic Website** detailed through this document.

Proposed MasterSoft ERP is built on latest technologies, providing excellent performance and covering all current functionalities being in use at over 2000+ Educational Institutions across India and coupled with the ability to scale up in future as required. Various aspects of proposed Project have been detailed throughout this proposal.

Considering that existing website is a static website, the following hurdles can be observed for enhancement-

- As per UGC and NAAC norms, header and footer link need to be incorporated for quick accessibility
- Addition of quick links namely RTI, Syllabus, e-Downloads, Feedback, Placement Cell, Right to Information, Sitemap, Institute grievance cell, login.
- Addition of 'Make in India' & 'Digital India'.
- Furthermore, addition of a landing page, changes/modification in UI/UX, Typography.

One of the main module of the software is Exam module. Even today it is incomplete and we are not able to use it and outsource the work. The issue should be taken up with the service provider. Here, no objection to release part payments not full.
