## ATR (ACTION TAKEN REPORT) FOR RECOMMENDATIONS IN

### AAA FOR THE YEAR 2023-24

Since, the AAA for the year 2023-24 was conducted in the month of July, 2024, and the meeting of the same was conducted on 13<sup>th</sup> July, 2024, we present the outcome of the same till 31.10.2024.

Sr. No.	Recommendations	Action Taken Report
01	Designing the certificate courses with the help of industry experts.	One certificate course on Python was designed by Mr. Swapnil Pradeep from Information Technology Department and we are in the process to get industry opinion upon the same, also we are trying to get the course certified and approved for SWAYAM platform.
02	Systematic organization for remedial and bridge courses for slow learners.	Mentors have identified weak students course-wise and coordinators have been asked to inform respective faculty about the same. The outcome of the same can be further evaluated once the results of the odd semester are out.
03	Organisation of workshops for the parents related to career options and guidance of their wards.	One Parents meeting was held for all the programs in the odd semester where the career options were explained also the orientation of NEP was given to both students and parents.
04	Partnership with business for internship of the students.	All the Programme coordinators are assisting the final year students for getting the internships related to their programmes and all the PG students have already started attending the internship programs.
05	Creation of Language Lab	Orel software of learning English, German, French, Spanish and Arabic has been purchased and is installed in 20 computers. Separate Headphones also have been procured and the time table of using the language lab is prepared. The students are enrolled with zero fees and have started using it under the supervision of Lab Assistance and Career Katta Incharge.
06	Establishment of Research Center	The process has been already started for the same with University of Mumbai.
07	Start of Technology Driven Course	The Information Technology department has started the certificate course for the same with the batch of 30 students.

Sr. No.	Recommendations	Action Taken Report
08	Research related activities and projects	Research related projects are identified by the department and they are in the process of sending the proposals to funding agencies for sponsorship.
09	Skill development in the field of AI, Data Science and other high demanded fields.	Under NEP the courses has been selected accordingly and the students also have been given wide choice of courses wherever possible.
10	Alumni engagement in the form of guidance to our current students.	Alumni are invited to share their work experiences with our current students. Also alumni inform the College about the upcoming vacancies in their field where our recently graduated students can apply.
