39	Safety Riding Stimulation Games for Students
40	Celebration of International Women's Day by creating awareness on Menstrual Hygiene among school girls

1. Event: Essay Writing Competition on "Yoga"

Venue: SNGC, Chembur

Date: June 19, 2019

Nature of Activity: Area Level II Competition

Participants: 12

Objectives:

1. To promote awareness about the significance of yoga in maintaining physical, mental, and spiritual well-being.
2. To encourage creative expression and critical thinking among participants through essay writing.
3. To celebrate International Day of Yoga and its universal importance.

Description of Activity:

On June 19, 2019, the NSS unit of SNGC, Chembur, organized an Essay Writing Competition on the theme of "Yoga" in commemoration of the International Day of Yoga. The competition provided a platform for participants to express their thoughts, insights, and experiences related to the practice and benefits of yoga.

Participants were given a set duration to write essays exploring various aspects of yoga, including its history, philosophy, techniques, and impact on personal health and well-being. They were encouraged to delve into both the physical and spiritual dimensions of yoga, as well as its relevance in modern-day lifestyles.

The essays were evaluated based on criteria such as originality of thought, clarity of expression, depth of understanding, and adherence to the theme. A panel of judges comprising faculty members and subject matter experts assessed the entries and selected the winners based on merit.

In addition to the competition itself, participants were provided with resources and information about yoga, including its origins, different forms and practices, and its integration into holistic

wellness routines. This supplementary knowledge aimed to enrich their understanding and appreciation of yoga beyond the scope of the competition.

Outcomes Achieved:

1. Increased awareness about the multifaceted benefits of yoga among participants through the process of research and reflection during essay writing.
2. Promotion of creative expression and critical thinking skills among participants, fostering intellectual growth and personal development.
3. Celebration of the International Day of Yoga by engaging in a meaningful activity that resonates with the principles and ethos of yoga.

2. Event: Poster Making Competition on "Yoga"

Venue: SNGC, Chembur

Date: June 20, 2019

Nature of Activity: Area Level II Competition

Participants: 10

Objectives:

1. To raise awareness about the significance of yoga in promoting physical and mental well-being.
2. To encourage creative expression and artistic talent among participants through poster making.
3. To celebrate the International Day of Yoga and its global impact.

Description of Activity:

On June 20, 2019, the NSS unit of SNGC, Chembur, organized a Poster Making Competition on the theme of "Yoga" as part of the celebrations for the International Day of Yoga. The competition provided participants with an opportunity to visually represent the essence and benefits of yoga through artistic expression.

Participants were provided with art supplies and a designated time frame to create posters that conveyed the message of yoga in an engaging and visually appealing manner. They were encouraged to explore various aspects of yoga, such as asanas (postures), meditation, mindfulness, and the holistic benefits for mind, body, and spirit.

Each poster was evaluated based on criteria such as creativity, relevance to the theme, visual impact, and clarity of message. A panel of judges comprising faculty members and artists assessed the entries and selected the winners based on artistic merit and alignment with the theme.

In addition to the competition, participants were briefed on the significance of the International Day of Yoga and its growing recognition as a global observance for promoting health and well-

being. Information about the history, philosophy, and benefits of yoga was shared to enrich their understanding and appreciation of the theme.

Outcomes Achieved:

1. Increased awareness about the practice and benefits of yoga among participants through creative expression and artistic interpretation.
2. Promotion of artistic talent and creativity among participants, fostering a culture of expression and innovation within the college community.
3. Celebration of the International Day of Yoga by engaging in a creative and visually impactful activity that resonates with the spirit of yoga.

Future Recommendations:

1. Organize exhibitions or displays showcasing the posters created during the competition to further amplify the message of yoga and its importance.
2. Collaborate with local art institutions or galleries to showcase the winning posters in public spaces, reaching a broader audience and spreading awareness about yoga.
3. Incorporate elements of yoga-inspired art and creativity into future events and initiatives to continue promoting the practice and its benefits in innovative ways.

3. Activity: Conducted a nursery visit.

- **Location:** Murar Road, Mulund
- **Date:** July 10, 2019
- **Level:** Area Level II
- **Description:** The NSS unit organized a nursery visit to Murar Road, Mulund, aimed at raising awareness about environmental conservation and promoting green initiatives. Participants had the opportunity to explore the nursery and learn about various plants, trees, and their importance in maintaining ecological balance. Guided by experts, they received insights into plant care, propagation techniques, and the role of nurseries in biodiversity conservation. Additionally, interactive sessions were conducted to discuss the significance of tree plantation, sustainable landscaping, and green practices in mitigating environmental degradation and combating climate change.
- **Participants:** A total of 16 NSS volunteers actively participated in the nursery visit.

Conclusion:

The nursery visit provided participants with hands-on experience and knowledge about environmental conservation and green initiatives. By engaging in interactive learning activities, volunteers gained a deeper understanding of the importance of preserving biodiversity and adopting sustainable practices for a greener future.

Outcomes:

1. **Environmental Awareness:** Participants gained awareness about the significance of plants and trees in maintaining ecological balance and mitigating environmental challenges.
2. **Hands-on Learning:** The nursery visit provided a practical learning experience, allowing volunteers to observe and learn about various plant species and their cultivation methods.
3. **Advocacy:** Volunteers were inspired to advocate for environmental conservation and promote green initiatives within their communities, fostering a culture of environmental stewardship.

4. Community Engagement: The activity facilitated community engagement and collaboration, encouraging volunteers to actively participate in green initiatives and contribute to a more sustainable future.

4. Report on Tree Plantation Activities Conducted by the NSS Unit

Date	Location	Volunteers	Plants
24-12-2019	Sree Narayana Guru High School, Chembur	5	10
26-11-2019	Chembur High School	10	10
03-12-2019	SNGC, Chembur	5	10
08-07-2019	Children's Aid School, Anushakti Nagar	36	36
08-08-2019	Usmaniya High School, Shivaji Nagar	10	10
08-08-2019	Shivam Vidyamandir High School, Mankhurd	13	20
08-09-2019	Sharad Acharya School, Vashinaka	16	20

05-01-2020	Chota Kashmir, Goregaon	17	40

Introduction:

The National Assessment and Accreditation Council (NAAC) emphasizes the holistic development of educational institutions, including their engagement with social and environmental initiatives. As part of this endeavor, the NSS unit of Sree Narayana Guru College of Commerce, in collaboration with Kotak NGO and other NGOs, has undertaken several tree plantation activities in the surrounding communities. These activities align with the institution's commitment to social responsibility and environmental sustainability.

Objective:

The primary objective of the tree plantation activities was to promote environmental consciousness and contribute to ecological balance by increasing green cover in the region. Additionally, these initiatives aimed to foster a sense of community engagement among volunteers and beneficiaries.

Methodology:

The tree plantation activities were conducted in various locations, targeting different demographics within the community. Volunteers from the NSS unit, along with partners from Kotak NGO and other NGOs, actively participated in each event. The methodology involved site selection, procurement of saplings, volunteer mobilization, planting, and post-plantation care instructions.

Activities Conducted:

Sree Narayana Guru High School, Chembur (24/12/2019):

Area Level: II

Volunteers: 5

Plants: 10

Chembur High School (26/11/2019):

Area Level: II

Volunteers: 10

Plants: 10

Saplings of Tulsi Plant (12-03-2019):

Area Level: II

Volunteers: 5

Note: 10 saplings of Tulsi Plant were made with organic compost in coconut shells.

Chota Kashmir, Goregaon (05-01-2020):

Area Level: II

Volunteers: 17

Plants: 40

Children's Aid School, Anushakti Nagar, Mankhurd (08-07-2019):

Area Level: II

Volunteers: 36

Plants: 36

Usmaniya High School, Shivaji Nagar, Govandi (08-08-2019):

Area Level: II

Volunteers: 10

Plants: 10

Shivam Vidyamandir High School, Lallubhai Compound, Mankhurd (08-08-2019):

Area Level: II

Volunteers: 13

Plants: 20

Sharad Acharya School, Vashinaka, Chembur (08-09-2019):

Area Level: II

Volunteers: 16

Plants: 20

St. Catherine's High School, Andheri (08-09-2019):

Area Level: II

Volunteers: 3

Plants: 5

Outcome:

The collective efforts of the NSS unit and partnering NGOs resulted in the successful plantation of a significant number of trees across various locations. These activities not only enhanced the green cover but also raised awareness about the importance of environmental conservation among the participating volunteers and the wider community.

Conclusion:

The tree plantation activities conducted by the NSS unit of Sree Narayana Guru College of Commerce, in collaboration with Kotak NGO and other NGOs, exemplify the institution's commitment to social responsibility and sustainable development. These initiatives not only contribute to the ecological well-being of the region but also instill a sense of civic engagement and environmental stewardship among the stakeholders involved.

5. Event Title: Poster Making Competition on Swachhata Hi Seva

Institution Name: SNGC, Chembur

Date of Event: July 30, 2019

Level: Area Level II

Number of Participants: 21

1. Introduction:

The Poster Making Competition on Swachhata Hi Seva was organized at SNGC, Chembur, with the objective of raising awareness about cleanliness and sanitation among students. This initiative was aligned with the national Swachh Bharat Abhiyan (Clean India Mission) and aimed to instill a sense of responsibility towards community hygiene.

2. Activities Undertaken:

Theme Introduction: Participants were briefed about the theme focusing on promoting cleanliness, hygiene practices, and the significance of Swachhata Hi Seva.

Artistic Expression: Participants were provided with art supplies and encouraged to creatively design posters conveying messages related to cleanliness and the objectives of Swachhata Hi Seva.

Time-limited Competition: The competition was conducted within a specified time frame to challenge participants to showcase their artistic skills under pressure.

Judging Criteria: Posters were evaluated based on visual impact, relevance to the theme, creativity, clarity of message, and adherence to competition guidelines.

Exhibition and Prize Distribution: Completed posters were displayed for viewing, followed by a prize distribution ceremony to recognize and reward the winners.

3. Participants:

A total of 21 students actively participated in the Poster Making Competition, demonstrating their enthusiasm for promoting cleanliness awareness and artistic expression.

4. Impact:

Cleanliness Awareness: The competition contributed to raising awareness among students about the importance of cleanliness and sanitation, promoting healthier living environments.

Creative Expression: Participants had the opportunity to express their creativity while contributing to a meaningful cause related to public hygiene and social welfare.

Community Engagement: The competition fostered community engagement and collaboration among students, faculty, and staff, promoting a collective effort towards building cleaner and healthier communities.

5. Conclusion:

The Poster Making Competition on Swachhata Hi Seva at SNGC, Chembur, effectively promoted cleanliness and sanitation awareness, aligning with the objectives of the national Swachh Bharat Abhiyan. By encouraging artistic expression and community engagement, the competition empowered students to become advocates for positive social change and contribute towards building a cleaner and healthier society.

6. Report on Class Management Activities with Local Schools

Introduction:

The National Assessment and Accreditation Council (NAAC) emphasizes the holistic development of educational institutions through community engagement activities. This report documents the class management activities conducted by the NSS unit of Sree Narayana Guru College of Commerce in collaboration with Kotak NGO and other partners. These activities aimed to enhance educational experiences, promote social awareness, and foster community development.

Objective:

The primary objective of the class management activities was to provide valuable educational interventions to students in local schools, addressing various aspects such as academic subjects, health, hygiene, and social issues. Through these initiatives, the NSS unit sought to contribute to the educational and social development of the community.

Activities Conducted:

13-09-2019	Class Management Activity at Jawahar Vidhya Bhavan School	Marouli, Wadavali Village, Chembur	4

Activities:

Throughout the academic year 2019-2020, a total of 31 class management activities were conducted by NSS volunteers of SNGC College. These activities included:

1. **Assisting Teachers:** NSS volunteers assisted teachers in maintaining discipline, managing classroom activities, and providing additional support to students as needed.
2. **Supervising Classroom Environment:** Volunteers monitored the classroom environment to ensure that students were attentive, engaged, and focused on their studies.

3. **Organizing Group Activities:** Volunteers organized group activities, such as group discussions, presentations, and collaborative learning exercises, to promote interactive learning and peer-to-peer engagement.
4. **Facilitating Student-Teacher Interaction:** Volunteers facilitated communication between students and teachers, addressing any concerns or queries raised by students and conveying feedback to teachers.
5. **Promoting Cleanliness:** Volunteers encouraged students to maintain cleanliness in the classroom, including keeping desks tidy, disposing of waste properly, and maintaining hygiene standards.
6. **Providing Academic Support:** Volunteers offered academic support to students by assisting them with assignments, clarifying concepts, and providing additional study materials when required.
7. **Assisting in Exam Preparation:** Volunteers helped students prepare for examinations by organizing study sessions, providing study tips, and offering guidance on exam strategies.
8. **Encouraging Participation:** Volunteers encouraged active participation and engagement among students during class discussions, activities, and academic events.
9. **Supporting Special Needs Students:** Volunteers provided support and assistance to students with special needs, ensuring they received equitable access to educational opportunities.
10. **Managing Classroom Resources:** Volunteers helped in managing classroom resources, such as books, stationery, and teaching aids, to ensure they were utilized effectively.

Key Outcomes:

Educational Empowerment:

Students received valuable insights and knowledge on various subjects and social issues, contributing to their academic growth and overall development.

Interactive sessions and educational games facilitated better understanding and engagement among students, making learning enjoyable and effective.

Community Engagement:

Strong partnerships were established with local schools, NGOs, and governmental bodies, fostering collaborative efforts towards community development.

Volunteers demonstrated commitment and enthusiasm in contributing to the betterment of society, embodying the values of social responsibility and civic engagement.

Challenges Faced:

Logistical Constraints:

Limited resources and infrastructure posed challenges in organizing and executing class management activities efficiently.

Coordination and transportation logistics sometimes presented obstacles in mobilizing volunteers and conducting sessions in remote areas.

Conclusion:

The class management activities conducted by the NSS unit in association with Kotak NGO and other collaborators have made significant contributions to educational empowerment and community development. Despite challenges, these initiatives have demonstrated the institution's commitment to fostering a culture of service and social responsibility.

7. Report on Promotion and Sale of Bamboo Rakhi

1. Activity Details:

Date: 08-10-2019

Activity 1: Promotion of Bamboo Rakhi (Class to Class)

Organizer: SNGC, Chembur

Level: College Level

Volunteers: 17

Activity 2: Sale of Bamboo Rakhi In College Premises

Organizer: SNGC, Chembur

Level: College Level

Volunteers: 14

Number of Rakhi Sold: 150

2. Objectives:

Promote eco-friendly alternatives during festive seasons.

Generate awareness about sustainable practices.

Support local artisans and promote bamboo-based products.

3. Description:

On 8th October 2019, SNGC, Chembur organized two events to promote and sell bamboo rakhi within the college premises. The first event involved 17 volunteers who actively promoted bamboo rakhi among students through a class-to-class campaign. This aimed to educate peers about the benefits of eco-friendly rakhi and encourage them to purchase such products.

The second event witnessed the sale of bamboo rakhi within the college premises. 14 volunteers facilitated the sale, resulting in the successful distribution of 150 bamboo rakhi. This initiative not only provided students with eco-friendly alternatives for their festive celebrations but also supported local artisans engaged in bamboo crafts.

4. Impact:

Raised awareness: The activities effectively raised awareness about eco-friendly alternatives, encouraging students to make environmentally conscious choices.

Community engagement: Through active participation, students engaged with the initiative, contributing to its success and impact.

Economic support: The sale of bamboo rakhi provided economic support to local artisans practicing bamboo craft, promoting sustainability at both ecological and economic levels.

5. Conclusion:

The promotion and sale of bamboo rakhi by SNGC, Chembur, exemplify the college's commitment to sustainability and community engagement. By encouraging the adoption of eco-friendly practices and supporting local artisans, the initiative aligns with broader environmental and social goals.

8. Activity: Organized a Peace Rally to raise awareness and support for Maharashtra Flood Relief efforts, Collected Donation for Maharashtra Relief fund

Institution Name: SNGC, Chembur

Date of Event: August 14 - 22, 2019

Activity: Organized a Peace Rally to raise awareness and support for Maharashtra Flood Relief efforts, Collected Donation for Maharashtra Relief fund

Location: SNGC, Chembur

Level: College Level

Description:

The NSS unit of SNGC, Chembur, orchestrated a Peace Rally from August 14 to 22, 2019, with the dual purpose of raising awareness and extending support to the victims of the devastating floods in Maharashtra. This rally aimed to raise awareness about the dire circumstances faced by the affected communities and to garner support for relief efforts. NSS volunteers, alongside students and faculty members, marched through the college campus and surrounding areas, carrying placards, banners, and voicing slogans advocating for flood relief. The rally provided a platform to mobilize public support, encourage donations, and urge authorities to intensify relief operations in the flood-stricken regions. Furthermore, informational pamphlets were disseminated to enlighten participants about the impact of the floods and avenues to contribute to relief endeavors.

Participants:

A total of 36 individuals, including NSS volunteers, students, and faculty members, actively participated in the Peace Rally.

Outcomes:

Awareness: The Peace Rally effectively heightened awareness about the severity of the flood situation in Maharashtra and emphasized the urgent need for support and assistance for the affected communities.

Public Engagement: Participants wholeheartedly engaged in the rally, showcasing their solidarity and support for flood relief efforts while encouraging others to join the cause.

Advocacy: The rally served as a powerful advocacy platform, amplifying the voices of those affected by the floods and advocating for increased government intervention and resources for relief operations.

Donations: The rally spurred donations and contributions in both cash and kind towards flood relief efforts, empowering individuals to make a tangible difference in alleviating the suffering of the flood-affected populations.

Donation Collection:

In addition to raising awareness, the Peace Rally successfully collected donations in the form of cash and kind for the Maharashtra Relief fund. These donations, including essential supplies and monetary contributions, were meticulously gathered during the rally and subsequent days.

Dispatch to Kolhapur:

On August 23, 2019, all collected materials, including cash and kind donations, were diligently packaged and sent to Kolhapur via Wilson College. This timely dispatch ensured that the aid reached the flood-affected regions promptly, aiding in relief efforts and providing much-needed support to those in distress.

Conclusion:

The Peace Rally for Maharashtra Flood Relief efforts, organized by SNGC, Chembur, exemplified the collective resolve and compassion of the college community towards supporting the flood-affected populations. By uniting and raising their voices for a common cause, participants reaffirmed their commitment to solidarity, empathy, and social responsibility, thereby embodying the spirit of humanitarianism and community service.

9. Event: Celebrating Raksha Bandhan with Traffic Police, Security Guards of College & Non-Helmet Commuters

Date: August 15, 2019

Venue: SNGC, Chembur

Nature of Activity: College Level Celebration

Participants: 17

Objectives:

To foster a sense of community and brotherhood among diverse groups within the college and the surrounding community.

To express gratitude and appreciation towards the efforts of traffic police and security guards for ensuring safety.

To raise awareness about road safety, particularly among non-helmet commuters.

Description of Activity:

On August 15, 2019, the NSS unit of SNGC organized a special Raksha Bandhan celebration with a unique twist. The event aimed to extend the traditional spirit of Raksha Bandhan beyond familial ties to encompass the broader community, including traffic police, security guards of the college, and non-helmet commuters.

The celebration began with a brief introduction highlighting the significance of Raksha Bandhan as a festival of protection and bond. Volunteers from the NSS unit then tied rakhi threads to the wrists of traffic police personnel and security guards as a gesture of gratitude for their dedicated service in ensuring the safety of the community.

In addition to the traditional rituals, the event also included an awareness drive targeting non-helmet commuters. NSS volunteers engaged in discussions with them, emphasizing the importance of wearing helmets for their safety on the roads. Pamphlets and informative materials regarding road safety were distributed to further reinforce the message.

The event concluded with refreshments and a sense of camaraderie among all participants, fostering a spirit of unity and mutual respect.

Outcomes Achieved:

Enhanced community bonding and interaction between college students, staff, and external stakeholders such as traffic police and security guards.

Increased awareness about road safety measures, particularly among non-helmet commuters, contributing to the promotion of responsible behavior on the roads.

Strengthened the image of the college as an institution actively engaged in social responsibility initiatives and community outreach.

10.Activity: Eco-friendly Tree Ganpati Idol Preparation and Celebration of Eco-Friendly Ganesh Utsav

Activity Overview:

The Eco-Friendly Ganesh Chaturthi celebration was conducted in the adopted area of Limoni Baug, Chembur, with the aim of promoting sustainable practices during the festival. The event spanned from August 28th to August 31st, 2019, and was organized by Sree Narayana Guru College (SNGC), Chembur.

Activity Details:

Date: August 28th, 2019

Activity: Basic Colouring of Eco-friendly Tree Ganpati Idol

Location: Limoni Baug, Chembur

Level: Area Level I

Volunteers: 4

Dates: August 29th to August 31st, 2019

Activity: Eco-Friendly Ganesh Chaturthi Celebration

Location: Limoni Baug, Chembur

Level: Area Level I

Volunteers: 21

Highlights:

Eco-Friendly Approach: The celebration emphasized the use of eco-friendly materials for Ganesh idols and decorations, minimizing environmental impact.

Community Engagement: Volunteers actively engaged with the community in Limoni Baug, promoting awareness about the importance of eco-friendly practices during festivals.

Skill Enhancement: The basic colouring activity provided an opportunity for artistic expression while also promoting the use of eco-friendly materials.

Volunteer Participation: A total of 25 volunteers from SNGC, Chembur, participated in the activities, demonstrating a strong commitment to environmental sustainability and community service.

Impact:

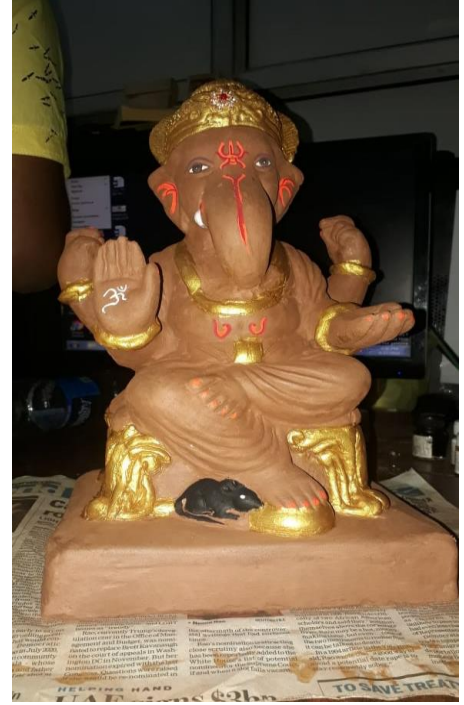

Environmental Conservation: By promoting eco-friendly practices, the event contributed to the conservation of natural resources and reduction of pollution.

Community Empowerment: Through engagement and awareness initiatives, the event empowered the residents of Limoni Baug to adopt sustainable practices in their festivities.

Educational Outreach: The activities served as educational opportunities, raising awareness about the significance of celebrating festivals in an environmentally responsible manner.

The Eco-Friendly Ganesh Chaturthi celebration in Limoni Baug, Chembur, exemplified the spirit of environmental stewardship and community collaboration, fostering a culture of sustainability for future generations.

पर्यावरणपूरक
चेंबूरच्या श्री नारायण कॉलेज ऑफ कॉमर्समध्ये यावर्षी पहिल्यांदाच गणपती बाप्पाची प्राणप्रतिष्ठापना केली जाणार आहे. कॉलेजमधील पहिल्याच गणेशोत्सवासाठी विद्यार्थी उत्सुक असून, त्यांनी जोरदार तयारीही सुरू केली आहे. इको-फ्रेंडली पद्धतीनं हा गणेशोत्सव साजरा केला जाणार आहे. यासाठी गणपतीची मूर्ती ही पेणमध्ये बनवण्यात आली असून, ती पूर्णपणे मातीची आहे. पाच दिवसांसाठी गणपतीचं आगमन होणार असून, विसर्जनाच्या दिवशी इकोफ्रेंडली गणेशोत्सव आणि पर्यावरण रक्षणाचा संदेश देणारी मिरवणूक काढली जाणार आहे. त्यानंतर कॉलेजमध्येच या गणपतीच्या मूर्तीचं विसर्जन करण्यात येईल.

11.Compost Pit Maintenance Report

Date: September 14, 2019 to October 23, 2019 to

Event: Compost Pit Maintenance

Location: SNGC, Chembur

Level: Area

Number of Participants: 2

Objective:

The Compost Pit Maintenance initiative aimed to promote sustainable waste management practices and environmental conservation by maintaining and managing compost pits within the premises of SNGC, Chembur.

Participants:

- **Volunteers:** Two individuals participated in the Compost Pit Maintenance activity, demonstrating their commitment to promoting sustainable waste management practices and environmental stewardship.

Impact:

1. **Improved Waste Management:** The maintenance of compost pits contributes to the effective management of organic waste generated within the premises of SNGC, reducing the amount of waste sent to landfills and promoting recycling and reuse.
2. **Environmental Conservation:** Composting helps mitigate the environmental impact of organic waste by diverting it from landfills, reducing greenhouse gas emissions, and enriching soil health through the production of nutrient-rich compost.
3. **Educational Opportunity:** The initiative provided participants with practical experience in composting and waste management, fostering awareness and understanding of sustainable practices among the college community.

Conclusion:

The Compost Pit Maintenance activity at SNGC, Chembur, exemplifies the college's commitment to environmental sustainability and community engagement. By actively maintaining compost pits and promoting sustainable waste management practices, participants

contribute to the preservation of natural resources and the promotion of a greener, healthier environment.

This report documents the successful implementation and impact of the Compost Pit Maintenance initiative for NAAC accreditation purposes, highlighting SNGC's dedication to environmental stewardship and sustainable development.

12. Report on Awareness Streetplay on HIV/AIDS

Date of Events:

17/09/2019 to 27/09/2019 - Practicing Street Play on HIV/AIDS (RRC)

27/09/2019 - Performed Street Play on HIV/AIDS (RRC) in Adopted Area

01/12/2019 - Celebrated International AIDS Day through Street Play on RRC

04-12-2019 - Performed Street Play on AIDS/HIV (RRC) in Rajawadi Hospital & Blood Bank

05-12-2019 - Performed Street Play on AIDS/HIV (RRC) in Awareness Rally

Locations:

SNGC, Chembur

Limoni Baug, Chembur

Chembur Station

BMC Rajawadi Hospital Ghatkopar

Mukti Nagar, Chembur

Organizing Institution: Sree Narayana Guru College of Commerce, Chembur

Level of Activity: Area Level II

Total Volunteers: 71 volunteers participated across all events

Objective:

The series of street plays on HIV/AIDS organized by Sree Narayana Guru College of Commerce aimed to raise awareness and disseminate information about HIV/AIDS prevention, transmission, and stigma. Through engaging performances and outreach activities, the objective was to educate the community and promote a culture of empathy and support towards individuals affected by HIV/AIDS.

Activities Undertaken:

Practicing Street Play: Volunteers practiced street plays on HIV/AIDS at SNGC, Chembur, focusing on effective communication of key messages and performance skills.

Street Play Performances: Street plays were performed in various locations including Limoni Baug, Chembur, Chembur Station, BMC Rajawadi Hospital Ghatkopar, and Mukti Nagar, Chembur. These performances aimed to reach diverse audiences and raise awareness about HIV/AIDS.

Celebration of International AIDS Day: A street play was organized at Chembur Station to commemorate International AIDS Day, emphasizing the global significance of HIV/AIDS awareness and prevention efforts.

Hospital Outreach: A street play was performed at BMC Rajawadi Hospital & Blood Bank in Ghatkopar to educate patients, visitors, and hospital staff about HIV/AIDS.

Awareness Rally: Volunteers participated in an awareness rally in Mukti Nagar, Chembur, combining street play performances with community engagement activities to promote HIV/AIDS awareness and prevention.

Impact:

Increased Awareness: The street play series effectively disseminated information about HIV/AIDS, contributing to increased awareness and understanding within the community.

Reduced Stigma: By addressing myths and misconceptions surrounding HIV/AIDS, the events helped reduce stigma and discrimination against individuals living with the disease.

Community Engagement: The participation of volunteers and engagement with community members fostered dialogue and discussion about HIV/AIDS, encouraging active involvement in prevention and support efforts.

Empowered Volunteers: Volunteers gained valuable experience in advocacy, communication, and community outreach, empowering them to become agents of change in raising awareness about HIV/AIDS.

Conclusion:

The series of street plays on HIV/AIDS organized by Sree Narayana Guru College of Commerce demonstrated a concerted effort towards raising awareness, reducing stigma, and promoting community engagement in HIV/AIDS prevention and support. The events underscored the college's commitment to social responsibility and its role in addressing public health challenges through innovative and impactful initiatives.

13. Activity: Practice and performance of Street Play on De-Addiction across various locations in Mumbai in association with Don Bosco Education society

Date of Events: From 25/09/2019 to 22/01/2020

Activity: Street Plays on De-Addiction

Location: Various locations across Mumbai

Level: Area Level II

Description:

The Don Bosco Development Society, in collaboration with various educational institutions and community organizations, spearheaded a series of street plays aimed at addressing the issue of addiction within communities across Mumbai. These street plays were strategically designed to raise awareness, educate the public, and inspire behavioral change regarding substance abuse and addiction.

The initiative commenced with a practice session held from September 19 to September 24, 2019, at SNGC, Chembur, involving 21 volunteers. Subsequently, a total of 18 street plays were performed at different locations, starting from March 10, 2019, and continuing through to June 1, 2020. These locations included school areas, market areas, residential colonies, and specific neighborhoods within Mumbai.

Each street play was meticulously planned and executed, focusing on engaging narratives, relatable characters, and interactive elements to effectively communicate the message of de-addiction. Professional actors, volunteers, and students collaborated to deliver impactful performances that resonated with diverse audiences.

Objectives:

Raise Awareness: The primary objective was to raise awareness about the detrimental effects of addiction on individuals and communities.

Promote Behavioral Change: Through storytelling and interactive engagement, the street plays aimed to inspire behavioral change and encourage individuals to seek help for addiction-related issues.

Provide Information and Resources: Information regarding addiction prevention and rehabilitation services was disseminated during the performances to empower individuals to make informed decisions.

Community Engagement: Collaborating with educational institutions and community organizations facilitated broader community engagement, fostering dialogue and collective action against addiction.

Outcomes:

Awareness: The street plays effectively raised awareness about the adverse effects of addiction, highlighting its social, economic, and health-related consequences.

Behavioral Change: The performances inspired behavioral change among audience members, encouraging them to reconsider their attitudes towards addiction and take proactive steps towards recovery.

Information Dissemination: Valuable information and resources on addiction prevention and rehabilitation were shared with the public, empowering individuals to access support services.

Community Collaboration: The collaboration with educational institutions and community organizations enhanced the reach and impact of the street plays, fostering greater community involvement in addiction prevention efforts.

Conclusion:

The series of street plays on de-addiction organized by the Don Bosco Development Society exemplifies its commitment to addressing social issues and promoting community well-being through creative and collaborative initiatives. By leveraging the power of street theater, the initiative succeeded in raising awareness, inspiring behavioral change, and fostering community engagement in the fight against addiction.

14. Activity Report: Poshan Abhiyan Poster Exhibition & Cleaning & Decoration of NSS Notice Board

Date: September 23, 2019

Location: SNGC, Chembur

Overview: The Poshan Abhiyan Poster Exhibition and Cleaning & Decoration of NSS Notice Board, organized at SNGC, Chembur, on September 23, 2019, was a multifaceted initiative aimed at promoting awareness about nutrition and hygiene while enhancing the visual appeal of the NSS notice board.

Participant Details:

- **Number of Participants:** 7

Activities:

The activity included two main components: the Poshan Abhiyan Poster Exhibition and the Cleaning & Decoration of NSS Notice Board. Participants were involved in setting up the poster exhibition, which featured informative posters on nutrition and hygiene. They also engaged in cleaning and decorating the NSS notice board to create an attractive and informative display area.

Conclusion: The combined efforts of participants in organizing the Poshan Abhiyan Poster Exhibition and Cleaning & Decoration of NSS Notice Board reflect the college's commitment to promoting health and hygiene awareness among its community members. By engaging in such initiatives, the college fosters a culture of wellness and social responsibility, ultimately contributing to the well-being of its stakeholders

15.Activity: Plastic Collection Drive

Date: 26/09/2019

Location: SNGC (Name of College), Chembur

Level: Area Level I

Participants: 3 (NSS Volunteers)

Details:

On 26th September 2019, the NSS unit at SNGC (Name of College), Chembur, organized a Plastic Collection Drive as part of its ongoing environmental conservation efforts. The drive aimed to address the pressing issue of plastic pollution and promote sustainable waste management practices within the local community.

Despite the modest participation of 3 NSS volunteers, the impact of the drive was significant. Equipped with gloves, bags, and other necessary equipment, the volunteers actively engaged in collecting plastic waste from designated areas in and around the college campus.

The Plastic Collection Drive focused on raising awareness about the harmful effects of plastic pollution on the environment and advocating for the adoption of eco-friendly alternatives. Volunteers interacted with members of the community, educating them about the importance of reducing, reusing, and recycling plastic materials to mitigate environmental degradation and protect natural resources.

Throughout the duration of the drive, the NSS volunteers demonstrated commendable dedication and enthusiasm, working diligently to collect and segregate plastic waste in an organized manner. The collected plastic waste was properly disposed of or sent for recycling, contributing to the reduction of plastic pollution and the promotion of a cleaner and healthier environment.

Despite the small-scale nature of the initiative, the Plastic Collection Drive exemplified the NSS unit's commitment to fostering environmental consciousness and promoting sustainable living practices among the youth. By actively participating in initiatives like this, NSS volunteers play a vital role in driving positive change and creating a more sustainable future for generations to come.

16.Activity: Thalassemia Check-up with Think Foundation

Date: 26/09/2019

Location: SNGC (Name of College), Chembur

Level: Area Level II

Participants: 6 (NSS Volunteers)

Details:

On 26th September 2019, the NSS unit at SNGC (Name of College), Chembur, collaborated with the Think Foundation to organize a Thalassemia Check-up camp aimed at raising awareness and providing screening for Thalassemia, a genetic blood disorder.

The camp witnessed the participation of 6 NSS volunteers who actively assisted in organizing and facilitating the check-up process. Led by trained medical professionals from the Think Foundation, the check-up camp provided individuals with the opportunity to undergo screening tests for Thalassemia, enabling early detection and intervention for those at risk.

The NSS volunteers played a crucial role in assisting with registration, guiding participants through the check-up process, and providing support and information throughout the camp. Their enthusiastic participation and dedication contributed to the smooth conduct of the event and ensured a positive experience for all attendees.

Through the Thalassemia Check-up camp, the NSS unit at SNGC, Chembur, aimed to promote health awareness and preventive healthcare practices within the community. By partnering with organizations like the Think Foundation, NSS volunteers actively engage in initiatives that address pressing health concerns and contribute to the well-being of society.

The Thalassemia Check-up camp underscored the NSS unit's commitment to serving the community and fostering a culture of health consciousness among the youth. Through collaborative efforts and proactive initiatives, NSS volunteers strive to make a meaningful difference in the lives of individuals and communities they serve.

17.Display of Posters Given by MDACS

Date: 27/09/2019

Location: Limoni Baug, Chembur

Level: Area Level II

Participants: 6 (NSS Volunteers)

Details:

On 27th September 2019, the NSS unit organized a poster display activity in Limoni Baug, Chembur, in collaboration with MDACS (Maharashtra District AIDS Control Society). The objective of the activity was to raise awareness about HIV/AIDS and promote preventive measures within the community.

Six NSS volunteers actively participated in the event, working together to display posters provided by MDACS in prominent locations within Limoni Baug. The posters featured information about HIV/AIDS transmission, prevention methods, testing services, and support resources available to individuals affected by the disease.

The volunteers strategically placed the posters in community centers, public spaces, and other high-traffic areas frequented by residents to maximize visibility and reach. Additionally, they engaged with community members passing by, distributing informational pamphlets and initiating conversations about HIV/AIDS awareness and prevention.

The poster display activity served as a visual reminder of the importance of HIV/AIDS awareness and encouraged community members to take proactive steps towards protecting their health and well-being. By partnering with MDACS and leveraging informative materials, the NSS unit aimed to address stigma, dispel myths, and promote a supportive environment for individuals living with HIV/AIDS.

Through their efforts, the NSS volunteers demonstrated their commitment to public health advocacy and community empowerment. By facilitating access to vital information and resources, the activity contributed to building a more informed and resilient community capable of tackling health challenges effectively.

18.Activity: District Level Competition on Poster Making & Slogan Writing

Date: 28/09/2019

Location: SNGC (Name of College), Chembur

Level: University Level

Participants: 17 (NSS Volunteers)

Details:

On 28th September 2019, SNGC (Name of College), Chembur, hosted a District Level Competition on Poster Making & Slogan Writing as part of its commitment to promoting creativity, awareness, and social engagement among students.

A total of 17 NSS volunteers participated in the competition, showcasing their artistic talents and creative skills in producing visually compelling posters and thought-provoking slogans on various social issues and themes. The competition provided a platform for students to express their ideas, perspectives, and concerns through the medium of art and writing.

The Poster Making segment of the competition witnessed participants using colors, graphics, and illustrations to convey messages related to topics such as environmental conservation, social justice, gender equality, and community development. Each poster served as a visual representation of the volunteer's commitment to creating positive change and raising awareness on pertinent issues.

Simultaneously, the Slogan Writing segment challenged participants to craft concise and impactful slogans that encapsulated key messages and inspired action. Participants demonstrated their ability to communicate powerful ideas and sentiments in a few words, leaving a lasting impression on the audience and judges alike.

The District Level Competition on Poster Making & Slogan Writing provided a platform for students to showcase their creativity, critical thinking, and social awareness. Through their participation, NSS volunteers not only honed their artistic and literary skills but also contributed to meaningful discourse on important societal issues.

The event served as an opportunity for students to engage with peers, faculty members, and external judges, fostering dialogue and exchange of ideas. Participants received feedback and recognition for their efforts, encouraging them to continue using their talents for the betterment of society.

The NSS unit at SNGC, Chembur, remains committed to organizing such events that promote holistic development, creativity, and social responsibility among students. By nurturing talent

and providing platforms for expression, the NSS unit empowers volunteers to become agents of positive change in their communities and beyond.

19.Activity: Session on RRC by Umesh Ghuge, Asst. Director, MDACS

Date: 28/09/2019

Location: SNGC (Name of College), Chembur

Level: Area Level II

Participants: 86 (NSS Volunteers)

Details:

On 28th September 2019, SNGC (Name of College), Chembur, organized a session on the Red Ribbon Club (RRC) conducted by Umesh Ghuge, Assistant Director of MDACS (Maharashtra District AIDS Control Society). The session aimed to raise awareness about HIV/AIDS prevention and promote the role of RRC in fostering a supportive and inclusive environment within the college community.

A total of 86 NSS volunteers participated in the session, demonstrating their commitment to addressing public health issues and promoting social responsibility among students. Umesh Ghuge, an expert in the field of HIV/AIDS prevention, shared valuable insights, information, and best practices related to RRC initiatives and activities.

During the session, Umesh Ghuge discussed the objectives and mandate of the RRC, highlighting its role in organizing awareness campaigns, educational workshops, and advocacy programs to promote HIV/AIDS prevention, care, and support. He emphasized the importance of youth engagement and leadership in driving meaningful change and reducing the stigma associated with HIV/AIDS.

Participants had the opportunity to learn about the various services and resources available through RRCs, including access to HIV testing, counseling services, and referrals for treatment and care. They also gained knowledge about the importance of safe sex practices, condom use, and the promotion of non-discriminatory attitudes towards individuals living with HIV/AIDS. The session on RRC by Umesh Ghuge provided a platform for NSS volunteers to deepen their understanding of HIV/AIDS issues and explore opportunities for active involvement in RRC activities. Through interactive discussions and Q&A sessions, participants were encouraged to become ambassadors for HIV/AIDS awareness and advocates for positive social change within their college and beyond.

The NSS unit at SNGC, Chembur, acknowledges the significance of partnerships with organizations like MDACS in promoting public health awareness and fostering a culture of empathy, inclusivity, and support. By collaborating with experts and stakeholders, NSS

volunteers are better equipped to address complex social challenges and contribute to building healthier, more resilient communities.

20.Report: Plastic Collections Competition Conducted by SMS

Date: September 30, 2019

Venue: SNGC, Chembur

Level: Area Level I

Participants: 9

The Plastic Collections Competition organized by Stree Mukti Sanghatna (SMS) on September 30, 2019, at SNGC, Chembur, aimed to promote environmental consciousness and sustainable waste management practices among the local community. With 9 enthusiastic participants, the competition encouraged individuals to actively engage in the collection and recycling of plastic waste.

Participants were tasked with collecting and properly disposing of plastic waste from their surroundings. The competition provided a platform for individuals to showcase their commitment to environmental preservation while fostering a sense of responsibility towards waste management.

The Plastic Collections Competition served as a reminder of the collective responsibility we share in combating environmental challenges. It underscored the importance of individual actions in creating a positive impact on the environment and encouraged ongoing efforts towards sustainable waste management practices. Overall, the competition was a testament to the power of community engagement in promoting environmental sustainability and fostering a culture of environmental stewardship.

21.Report: Film Screening on Women Equality Related Issues by Akshara/NSS Volunteers

Date: September 30, 2019

Venue: SNGC, Chembur

Level: Area Level II

Participants: 106

The Film Screening on Women Equality Related Issues, organized by Akshara in collaboration with NSS Volunteers, took place on September 30, 2019, at SNGC, Chembur. With a significant turnout of 106 participants, the event aimed to raise awareness about gender equality and women's rights through the medium of film.

The screening showcased thought-provoking films that shed light on various issues related to women's equality, including gender discrimination, violence against women, and barriers to women's empowerment. Through powerful storytelling and compelling narratives, the films prompted meaningful discussions among the audience, fostering a deeper understanding of the challenges faced by women in society.

Overall, the Film Screening on Women Equality Related Issues was a resounding success, drawing attention to important social issues and inspiring participants to take action towards creating a more inclusive and equitable society for all.

22. Report on Poster Exhibition Activity

1. Name of College: Sree Narayana Guru College of Commerce

2. Name of POS (Programme Officers):

Mohammed Jabir

Priyanka Suryavanshi

3. Brief Description of Activity:

The college organized a poster making and exhibition event focusing on the theme of women empowerment. This activity aimed to raise awareness about the importance of empowering women and promoting gender equality through creative expression and visual communication.

4. Date of Activity: 30/09/2019

5. Location of Activity: College wall

6. Number of Volunteers Participated: 09 NSS (National Service Scheme) volunteers actively participated in organizing and conducting the event.

09 posters were created and displayed, each serving as a visual representation of the theme of women empowerment.

106 NSS volunteers and other attendees benefited from the event by gaining knowledge and insights into the importance of women empowerment and gender equality.

Objective:

The poster exhibition aimed to:

Raise awareness about the significance of women empowerment.

Promote gender equality and inclusivity.

Encourage creative expression and engagement among students.

Activities Undertaken:

Poster Making: NSS volunteers and participants created posters depicting various aspects of women empowerment, such as education, employment, leadership, and social rights.

Exhibition: The posters were displayed in Room No. 303, allowing students, faculty, and staff to view and appreciate the artwork and messages.

Interactive Sessions: Discussions and interactions were facilitated around the posters to encourage dialogue and reflection on the theme of women empowerment.

Feedback Collection: Feedback was collected from attendees to assess the impact of the exhibition and gather suggestions for future activities.

Impact:

Awareness Generation: The poster exhibition successfully raised awareness about the importance of women empowerment and highlighted the need for gender equality in society.

Engagement and Participation: Students actively participated in creating posters and engaging with the exhibition, fostering a sense of involvement and ownership in promoting social causes.

Inspiration and Empowerment: The event inspired attendees to reflect on their roles in promoting gender equality and empowered them to take action towards creating a more inclusive and equitable society.

Conclusion:

The poster exhibition on women empowerment organized by Sree Narayana Guru College of Commerce served as a platform for promoting awareness, dialogue, and action on gender equality. Through creative expression and engagement, the event contributed to fostering a culture of empowerment and inclusivity within the college community.

23.Report: Library Making Activity & Donation of Books to Zilha Parishad School

Date: October 1, 2019

Venue: Done Village, Vangini

Level: College Level

Participants: 15

On October 1, 2019, a Library Making Activity and Donation of Books was conducted at Zilha Parishad School in Done Village, Vangini, with the participation of 15 college-level volunteers. The activity aimed to enhance educational resources and promote literacy among students in rural areas.

Volunteers actively engaged in setting up a library space within the school premises, organizing books, and creating a conducive environment for reading and learning. Additionally, a variety of books, including textbooks, storybooks, and reference materials, were donated to enrich the school's library collection.

The Library Making Activity and Donation of Books exemplified the spirit of community service and solidarity, demonstrating the transformative impact of education on empowering individuals and uplifting communities. It served as a testament to the power of collective action in promoting literacy and education as catalysts for social change and development.

24.Report: Rally on Waste Management

Date: October 2, 2019

Venue: Dr. Ambedkar Udhyan, Chembur

Level: Area Level I

Participants: 13

On October 2, 2019, a Rally on Waste Management was organized from Chembur Station to Dr. Ambedkar Udhyan, Chembur, with the participation of 13 individuals at the area level. The rally aimed to raise awareness about the importance of waste management practices and promote environmental sustainability within the local community.

Participants marched along the designated route, carrying placards and banners with messages advocating for responsible waste disposal, recycling, and pollution reduction. The rally provided a platform for community members to come together and voice their support for initiatives aimed at preserving the environment and mitigating the impact of waste on public health and well-being.

Despite the modest turnout, the rally garnered attention from passersby and residents, sparking conversations about the need for collective action to address environmental challenges. The event served as a call to action for individuals to adopt more sustainable lifestyle choices and contribute to building a cleaner and greener future for generations to come.

In conclusion, the Rally on Waste Management was a testament to the power of community mobilization in raising awareness and driving positive change on environmental issues. It underscored the importance of collective action and grassroots initiatives in promoting environmental stewardship and sustainability at the local level.

25. Traffic Management

Date: October 21, 2019

Event: Traffic Management

Venue: Sion - Panvel Highway, Mankhurd T Junction Bridge

Nature of Activity: University Level Traffic Management Initiative

Participants: 5

Objectives:

1. To address traffic congestion and safety issues at the Mankhurd T Junction Bridge.
2. To promote awareness about responsible and safe driving practices among commuters.
3. To engage in community service by assisting with traffic management efforts.

Description of Activity:

On October 21, 2019, a Traffic Management initiative was conducted at the Mankhurd T Junction Bridge on the Sion - Panvel Highway. Organized by the NSS unit at the university level, the activity aimed to alleviate traffic congestion and enhance road safety through proactive intervention and community engagement.

The participants, comprising NSS volunteers, gathered at the designated location equipped with safety vests, traffic cones, and informational materials. They collaborated with local traffic authorities and police personnel to assess the traffic situation and identify areas requiring intervention.

Throughout the duration of the activity, the participants assisted with traffic management efforts, including directing vehicular flow, guiding pedestrians, and ensuring adherence to traffic regulations. They also engaged in distributing pamphlets and verbal communication to educate commuters about safe driving practices, the importance of following traffic rules, and the consequences of reckless driving.

In addition to managing traffic flow, the participants actively monitored the surroundings for any potential safety hazards or obstructions on the road. They promptly reported any issues to the relevant authorities for appropriate action, contributing to the overall safety and efficiency of the traffic management operation.

The activity concluded with a debriefing session where participants reflected on their experiences and shared insights gained from their involvement in traffic management efforts. Lessons learned and recommendations for future initiatives were discussed to improve the effectiveness and impact of similar activities.

Outcomes Achieved:

1. Mitigation of traffic congestion and improvement of road safety at the Mankhurd T Junction Bridge.
2. Promotion of awareness about responsible driving practices and adherence to traffic regulations among commuters.
3. Engagement of university-level volunteers in community service and civic responsibility through active participation in traffic management initiatives.

26. Activity Report: Extraction of 22 kg Organic Compost Fertilizer by Recycling College Canteen & College Waste

Date: November 19, 2019

Location: SNGC, Chembur

Overview:

The extraction of 22 kg of organic compost fertilizer through the recycling of college canteen and college waste at SNGC, Chembur, was a commendable initiative aimed at promoting sustainability and environmental consciousness within the college community. By converting waste materials into valuable compost fertilizer, the activity contributed to waste reduction and eco-friendly practices.

Objectives:

- To recycle college canteen and college waste to produce organic compost fertilizer.
- To promote environmental awareness and sustainable practices among students and staff.
- To demonstrate the potential of waste recycling in generating valuable resources for agricultural purposes.

Participant Details:

- **Number of Participants:** 6

Activities:

The extraction process involved collecting organic waste materials from the college canteen and other areas of the campus. These materials were then subjected to composting techniques to facilitate decomposition and conversion into nutrient-rich compost fertilizer. Participants actively engaged in the collection, sorting, and processing of waste materials throughout the extraction process.

Outcome:

The successful extraction of 22 kg of organic compost fertilizer signifies the effectiveness of waste recycling initiatives in generating valuable resources for agricultural use. The activity

not only promoted sustainable practices but also raised awareness about the importance of waste management and environmental stewardship among the college community.

Conclusion:

The extraction of organic compost fertilizer from college waste at SNGC, Chembur, exemplifies the college's commitment to sustainability and environmental responsibility. By harnessing the potential of waste recycling, the college contributes to the conservation of natural resources and the promotion of eco-friendly practices, setting a positive example for the broader community

27.Activity: Coconut Shell Collection Drive

Date: 28/11/2019

Location: SNGC (Name of College), Chembur

Level: Area Level I

Participants: 3 (NSS Volunteers)

Details:

On 28th November 2019, the NSS unit at SNGC (Name of College), Chembur, organized a Coconut Shell Collection Drive to promote environmental sustainability and waste management practices within the local community.

Three NSS volunteers actively participated in the drive, which aimed to collect discarded coconut shells from households and public spaces. Coconut shells are organic waste materials that can be recycled and repurposed into various products, such as handicrafts, biofuel, and compost.

During the collection drive, volunteers engaged with residents and encouraged them to donate their discarded coconut shells instead of disposing of them as regular waste. They explained the environmental benefits of recycling coconut shells and emphasized the importance of reducing organic waste in landfills.

The collected coconut shells were stored and later transported to recycling facilities or utilized for eco-friendly initiatives such as composting or crafting. By repurposing coconut shells, the NSS unit promoted resource conservation and demonstrated a commitment to sustainable living practices.

The Coconut Shell Collection Drive served as a tangible example of community-led environmental action, highlighting the role of youth in driving positive change. Through their participation, NSS volunteers raised awareness about waste management and inspired residents to adopt more eco-friendly habits in their daily lives.

The NSS unit at SNGC, Chembur, remains dedicated to organizing initiatives that contribute to environmental conservation and social responsibility. By engaging in activities like the Coconut Shell Collection Drive, NSS volunteers actively contribute to building a greener, cleaner, and more sustainable future for all.

28.Report: Volunteers Made 1500 Seed Balls

Date: December 3, 2019

Venue: SNGC, Chembur

Level: Area Level I

Participants: 87

On December 3, 2019, volunteers at SNGC, Chembur, undertook the commendable task of making 1500 seed balls as part of an area-level initiative. The activity aimed to promote reforestation and biodiversity conservation through the innovative technique of seed bombing.

Engaging a total of 87 volunteers, the seed ball making activity involved the meticulous preparation of seed balls by encapsulating seeds within a mixture of clay, compost, and water. Volunteers worked collaboratively to ensure the efficient production of seed balls, which would later be dispersed in degraded areas to promote vegetation growth and ecosystem restoration.

The 1500 seed balls produced during the activity represent a tangible contribution towards reforestation efforts and habitat restoration, serving as seeds of hope for the regeneration of degraded landscapes. The initiative not only raised awareness about the importance of biodiversity conservation but also inspired others to join in the ongoing efforts to protect and preserve our natural heritage.

In conclusion, the volunteers' collective effort in making 1500 seed balls exemplifies the spirit of environmental activism and community solidarity in combating environmental degradation and promoting ecological sustainability. It serves as a shining example of how small actions can collectively make a big difference in safeguarding our planet for future generations

29.Performed Street Play on Save Electricity in Adopted Area

Date of Event: December 4, 2019

Activity: Street Play on Save Electricity

Location: Limoni Baug, Chembur

Level: Area Level II

Description: On December 4, 2019, [Institution Name] conducted a street play on "Save Electricity" in Limoni Baug, Chembur, as part of its commitment to promote energy conservation and sustainability. The street play aimed to raise awareness about the importance of saving electricity, the impact of energy consumption on the environment, and simple steps individuals can take to reduce their energy usage.

The street play featured a captivating storyline, engaging characters, and interactive elements to effectively convey the message of energy conservation to the audience. Professional actors, along with [Institution Name]'s volunteers, actively participated in the performance, engaging with the community members and encouraging them to adopt energy-saving practices in their daily lives.

Objectives:

Raise Awareness: The primary objective was to raise awareness about the importance of saving electricity and its impact on the environment.

Promote Behavioral Change: The street play aimed to inspire behavioral change among the audience, encouraging them to adopt energy-saving practices.

Provide Practical Tips: Information and practical tips for reducing energy consumption were shared with the audience to empower them to take action.

Community Engagement: The street play fostered community engagement and dialogue on the issue of energy conservation, encouraging collective action towards a sustainable future.

Outcomes:

Awareness: The street play effectively raised awareness about the importance of saving electricity, highlighting its role in mitigating environmental degradation and climate change.

Behavioral Change: Audience members were inspired to reconsider their energy consumption habits and implement energy-saving measures in their households and communities.

Practical Tips: Practical tips for saving electricity, such as turning off lights and appliances when not in use, were shared with the audience, empowering them to make a positive impact.

Community Engagement: The street play facilitated community engagement and dialogue on the issue of energy conservation, encouraging community members to collaborate and support each other in adopting sustainable practices.

Conclusion: The street play on "Save Electricity" organized by [Institution Name] in Limoni Baug, Chembur, served as a powerful tool for raising awareness, inspiring behavioral change, and fostering community engagement on the issue of energy conservation. By combining entertainment with education, the street play effectively conveyed the message of energy conservation to a diverse audience, contributing to efforts towards a more sustainable and environmentally conscious society.

30.Report on Blood Donation Activities

Introduction:

This report outlines the blood donation activities conducted by the NSS unit of Sree Narayana Guru College of Commerce during the specified period. The activities aimed to raise awareness about the importance of blood donation, educate individuals about thalassemia, and facilitate voluntary blood donations to address the ongoing need for blood in healthcare settings.

Date	Activity	Location	Volunteers	Blood Units Collected
24-09-2019	Rajawadi Blood Bank Visit	Rajawadi BloodBank, Vidyavihar	14	-
25-09-2019	Class to Class Awareness on Thalassaemia Checkup & Benefits	SNGC, Chembur	3	-
26-09-2019	Blood Donation Drive with Rajawadi Blood Bank	SNGC, Chembur	35	73
05-12-2019	Volunteers for Blood Donation Association with Kotak NGO	Deonar Govandi Kotak office	5	-

Introduction:

This report presents an overview of the blood donation initiatives conducted by the National Service Scheme (NSS) unit of Sree Narayana Guru College of Commerce during the academic year. These activities aimed to promote voluntary blood donation, raise awareness about thalassemia, and contribute to addressing the persistent demand for blood in healthcare settings.

Objectives:

The primary objectives of the blood donation activities were to:

Encourage voluntary blood donation among students and the community.

Raise awareness about thalassemia and the benefits of donating blood.

Establish partnerships with blood banks and NGOs to facilitate blood donation drives.

Quantify the impact of blood donation initiatives in terms of units collected and community participation.

Activities Conducted:

Volunteers for Blood Donation Association with Kotak NGO

Date: 12-05-2019

Location: Deonar Govandi Kotak office

Level: Area Level II

Volunteers: 5

Rajawadi Blood Bank Visit

Date: 24/09/2019

Location: Rajawadi BloodBank, Vidyavihar

Level: College Level

Volunteers: 14

Class to Class Awareness on Thalassaemia Checkup & Benefits of Donating Blood

Date: 25/09/2019

Location: SNGC, Chembur

Level: College Level

Volunteers: 3

Blood Donation Drive with Rajawadi Blood Bank

Date: 26/09/2019

Location: SNGC, Chembur

Level: Area Level II

Volunteers: 35

Blood Units Collected: 73

Key Outcomes:

A total of 57 volunteers participated in the blood donation activities.

The blood donation drive on 26/09/2019 yielded 73 units of blood, contributing significantly to the blood bank.

Increased awareness about thalassemia and the importance of voluntary blood donation among students and the community.

Conclusion:

The blood donation activities organized by the NSS unit of Sree Narayana Guru College of Commerce reflect a commitment to social responsibility and community welfare. These

initiatives have not only contributed to addressing the critical need for blood but also fostered a culture of altruism and compassion among students and volunteers.

31.Report: AIDS Awareness Rally in Acharya College

Date: December 5, 2019

Route: From Acharya College to Shatabdi Hospital

Level: Area Level II

Participants: 28

On December 5, 2019, an AIDS Awareness Rally was organized in Acharya College, with 28 participants marching from Acharya College to Shatabdi Hospital. The rally aimed to raise awareness about HIV/AIDS, combat stigma and discrimination associated with the disease, and promote preventive measures and support services.

Participants carried banners, placards, and posters with messages advocating for HIV/AIDS awareness, prevention, and support for people living with HIV/AIDS. They engaged with bystanders, distributed informational pamphlets, and conducted outreach activities to educate the public about the importance of HIV testing, safe sex practices, and access to healthcare services.

Through their participation in the rally, participants demonstrated their commitment to promoting health equity and social justice, advocating for policies and programs that support HIV/AIDS prevention, treatment, and care. The rally served as a catalyst for continued action and collaboration in the fight against HIV/AIDS, inspiring hope and resilience in the face of adversity.

32.Awareness Drive on "Don't Drink & Drive"

Date: December 24, 2019

Event: Awareness Drive on "Don't Drink & Drive"

Venue: SNGC, Chembur

Nature of Activity: Area Level II

Participants: 15

Objectives:

1. To raise awareness about the dangers and consequences of drinking and driving.
2. To promote responsible and safe behavior among motorists and the wider community.
3. To contribute to efforts aimed at reducing road accidents and fatalities caused by drunk driving.

Description of Activity:

On December 24, 2019, an Awareness Drive on "Don't Drink & Drive" was organized at SNGC, Chembur, by the NSS unit. The event aimed to address the serious issue of drunk driving and its impact on road safety, public health, and community well-being.

The participants, consisting of NSS volunteers, commenced the awareness drive by conducting a series of activities and initiatives to engage the college community and raise awareness about the dangers of drinking and driving.

1. Educational Workshops: Interactive workshops were conducted to educate participants about the risks associated with drunk driving, including impaired judgment, decreased reaction time, and increased likelihood of accidents. Information about legal consequences and penalties for driving under the influence was also provided to emphasize the seriousness of the issue.
2. Poster Campaign: NSS volunteers created and displayed posters with impactful messages and graphics related to the dangers of drinking and driving. These posters

were strategically placed in high-traffic areas within the college campus to maximize visibility and reach among students and faculty members.

3. **Street Play Performance:** A street play was organized to deliver key messages about the importance of responsible drinking and road safety. Through creative storytelling and dramatic performances, participants conveyed the potentially devastating consequences of drunk driving and the importance of making safe choices behind the wheel.
4. **Distribution of Informational Materials:** Flyers, brochures, and other informational materials highlighting the risks of drunk driving and providing tips for safe transportation alternatives were distributed to participants and passersby. These materials served as valuable resources for raising awareness and promoting behavior change.

Additionally, participants engaged in one-on-one discussions and interactions with members of the college community to address specific questions and concerns related to drunk driving and road safety.

Outcomes Achieved:

1. Increased awareness among participants and the college community about the dangers and consequences of drinking and driving.
2. Promotion of responsible and safe behavior, leading to potential reductions in instances of drunk driving and related road accidents.
3. Engagement of the college community in meaningful discussions and initiatives aimed at addressing societal issues and promoting community well-being.

33.Report: Plastic Collection Drive in Chota Kashmir

Date: January 5, 2020

Venue: Chota Kashmir, Goregaon

Level: Area Level I

Participants: 7

On January 5, 2020, a Plastic Collection Drive was organized at Chota Kashmir, Goregaon, with the participation of 7 individuals at the area level. The drive aimed to address the growing problem of plastic pollution in the area and promote environmental cleanliness and sustainability.

Participants actively engaged in collecting plastic waste from the surroundings, including parks, water bodies, and public spaces. They worked diligently to gather and segregate plastic debris, ensuring proper disposal and recycling of the collected waste.

Despite the modest participation, the Plastic Collection Drive made a significant impact in raising awareness about the harmful effects of plastic pollution and the importance of responsible waste management practices. By actively participating in the drive, volunteers demonstrated their commitment to protecting the environment and preserving natural ecosystems.

The Plastic Collection Drive in Chota Kashmir served as a reminder of the collective responsibility we share in combating plastic pollution and safeguarding the planet for future generations. It underscored the importance of individual actions in creating a cleaner and healthier environment for all.

34.Report: Tree Plantation Drive in Chota Kashmir

Date: January 5, 2020

Venue: Chota Kashmir, Goregaon

Level: Area Level II

Participants: 17

On January 5, 2020, a Tree Plantation Drive was conducted at Chota Kashmir, Goregaon, with the participation of 17 individuals at the area level. The drive aimed to enhance green cover and promote environmental conservation and biodiversity in the area.

Participants actively engaged in planting saplings of indigenous tree species, contributing to the restoration of the local ecosystem and creating green spaces for the community to enjoy. They worked tirelessly to prepare the planting sites, dig holes, and plant saplings with care and attention.

The Tree Plantation Drive made a significant impact in enriching the biodiversity of Chota Kashmir and improving the ecological health of the area. By planting trees, volunteers not only beautified the surroundings but also mitigated the effects of climate change, provided habitat for wildlife, and improved air quality.

The initiative served as a testament to the power of collective action in addressing environmental challenges and fostering sustainability. It exemplified the importance of community participation and collaboration in creating a greener and more resilient future for all.

35.Activity: Picking of National Flag from roadside area near college

Date: 27/01/2020

Location: SNGC (Name of College), Chembur

Level: Area Level I

Participants: 14 (NSS Volunteers)

Details:

On 27th January 2020, a group of 14 NSS volunteers from SNGC (Name of College), Chembur, participated in a noble initiative to pick up National Flags that were disposed of in a roadside area near the college premises. This activity was undertaken to uphold the dignity and respect of the National Flag and promote cleanliness and civic responsibility within the community.

The NSS volunteers, equipped with gloves and garbage bags, meticulously combed through the roadside area, carefully collecting and gathering discarded National Flags. Each Flag was handled with reverence and respect, reflecting the patriotic values instilled in the volunteers through the NSS program.

The activity not only focused on the physical act of picking up the Flags but also served as an opportunity to educate the volunteers and the community about the significance of the National Flag and the proper protocols for its disposal. Through discussions and interactions during the activity, the volunteers emphasized the importance of treating the National Flag with utmost respect and ensuring its dignified disposal as per the guidelines laid down by the Flag Code of India.

By actively participating in the picking of National Flags from the roadside area, NSS volunteers demonstrated their commitment to upholding national symbols and fostering a sense of civic pride and responsibility. The activity also highlighted the NSS unit's dedication to promoting cleanliness, environmental sustainability, and respect for national symbols within the college and the surrounding community.

The initiative received positive feedback from both the college community and local residents, underscoring the impact of small yet meaningful acts of service and patriotism. Through initiatives like this, NSS volunteers continue to make a tangible difference in their communities while upholding the values of social responsibility and national pride.

36.Activity: Survey on Energy Consumption in Adopted Area, Limoni baug

Date: 28/01/2020

Location: Limoni Baug, Chembur

Level: Area Level II

Participants: 14 (NSS Volunteers)

Details:

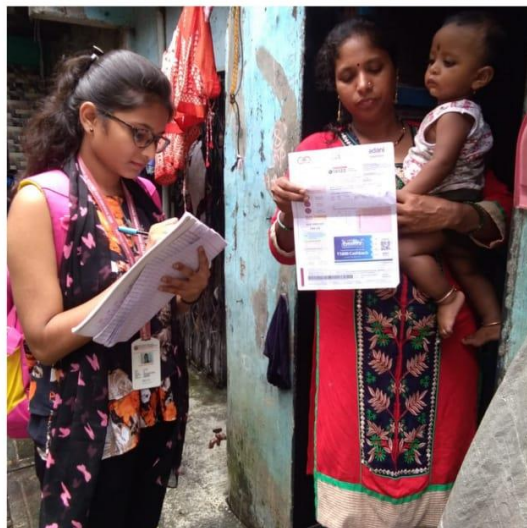

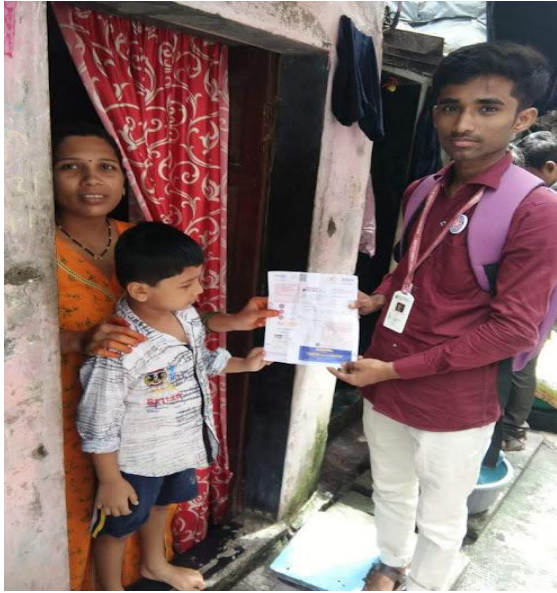

On 27th September 2019, the NSS unit conducted a survey on energy consumption in the adopted area of Limoni Baug, Chembur. The objective of the survey was to assess the patterns of energy usage among residents and identify opportunities for promoting energy efficiency and sustainable practices.

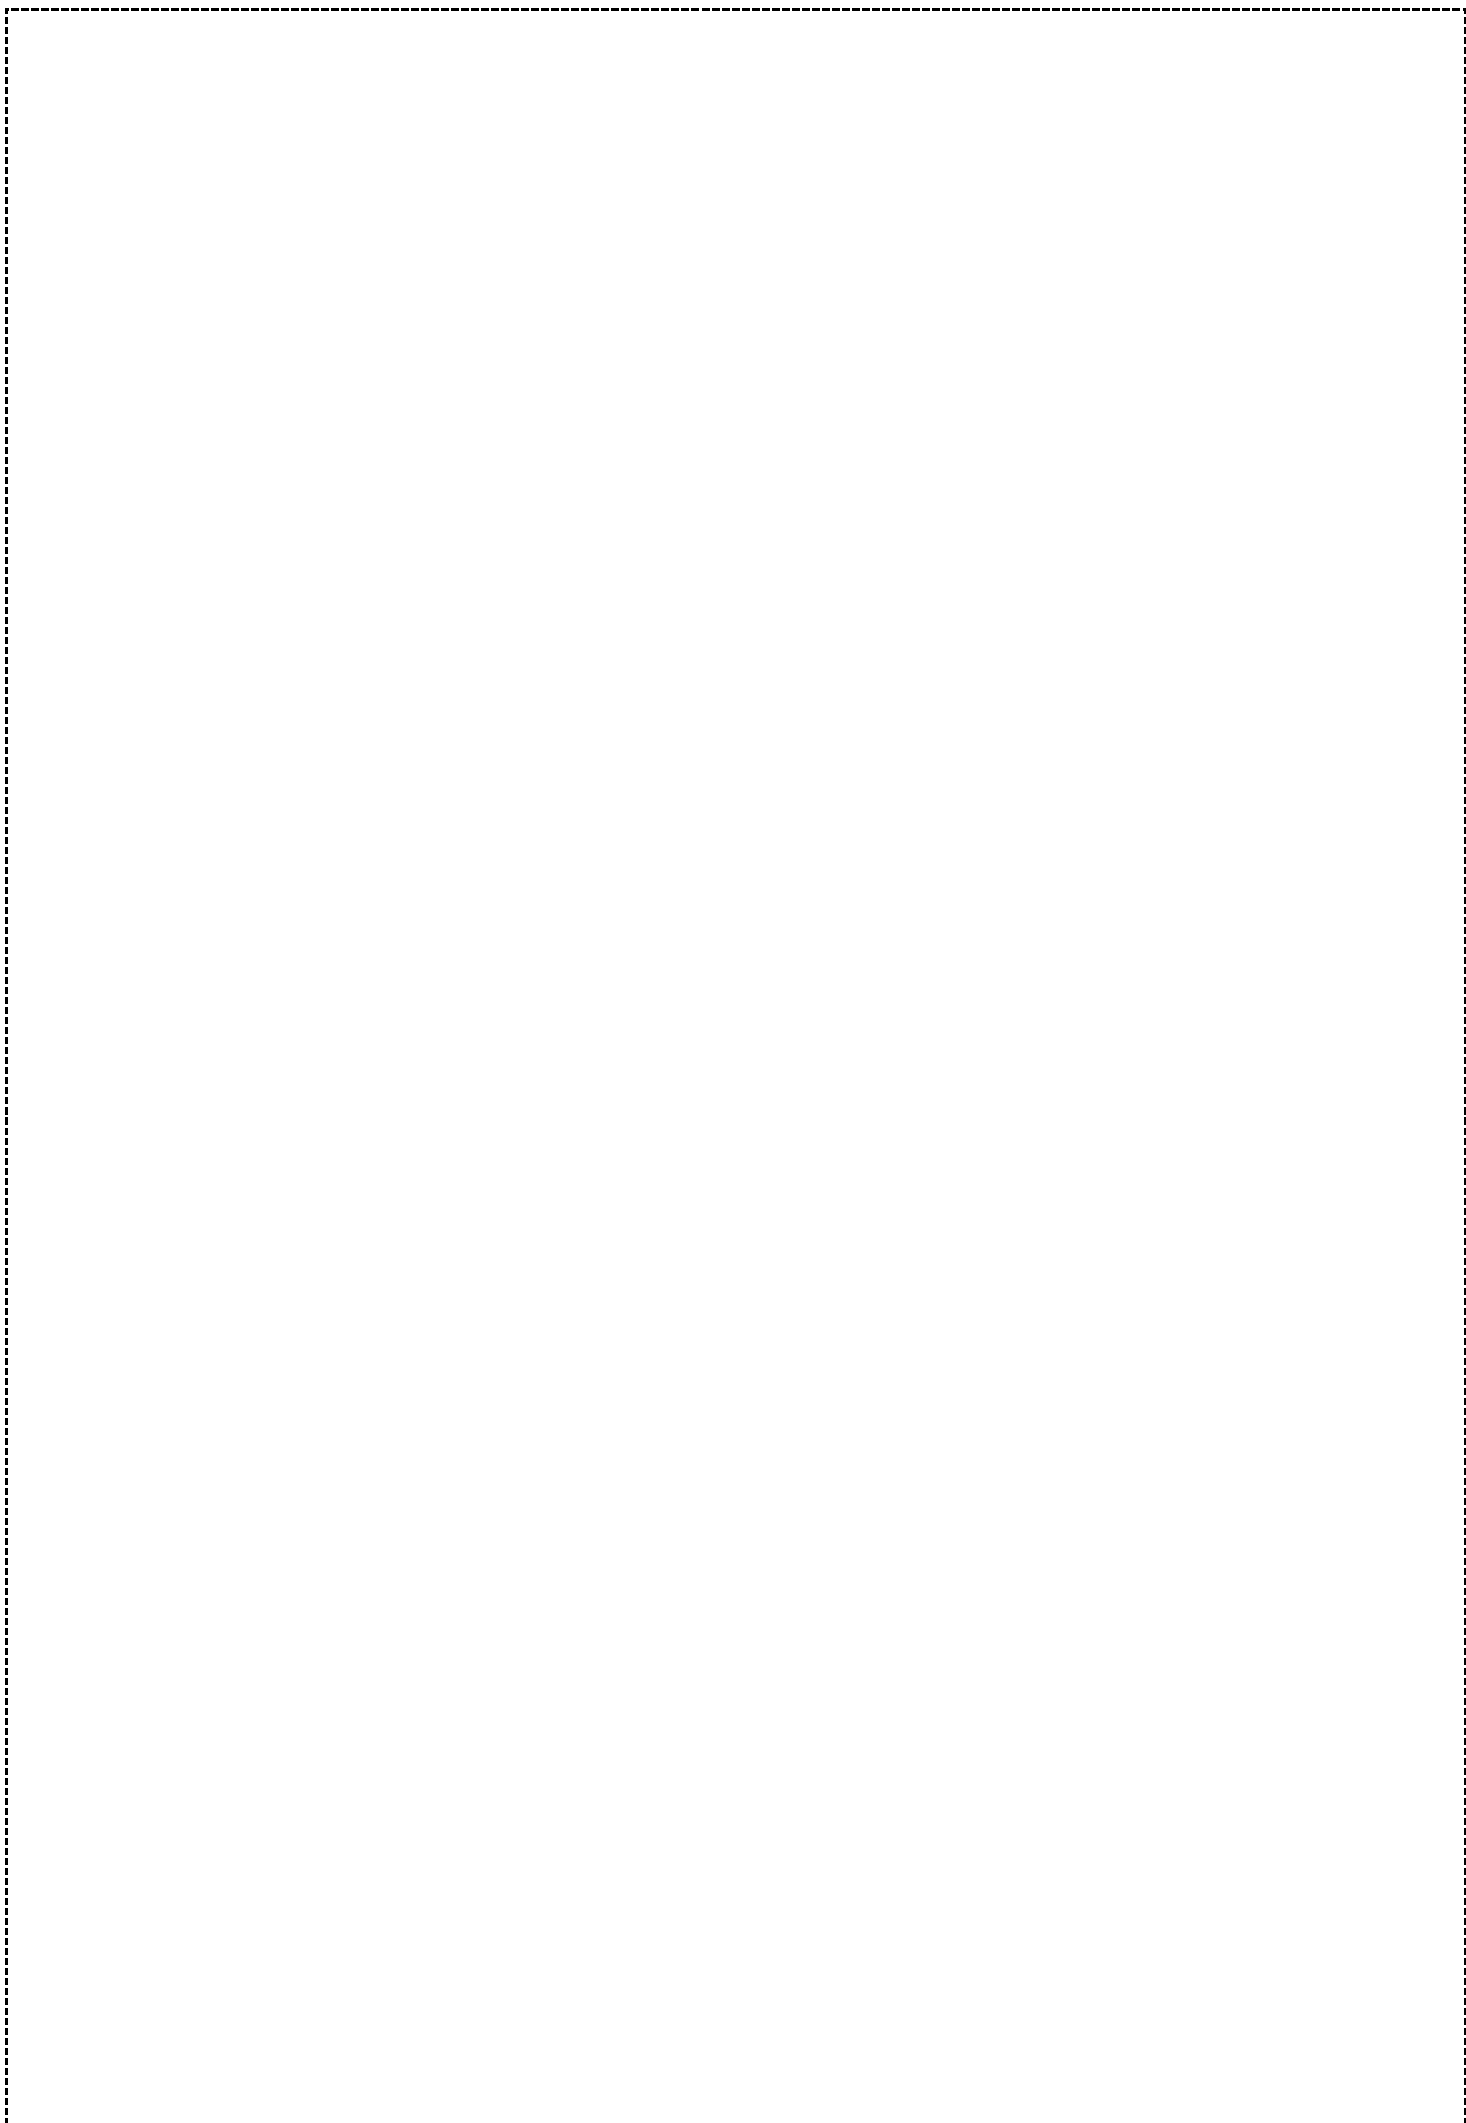

Fourteen NSS volunteers actively participated in the survey, visiting households in Limoni Baug to gather data on electricity consumption, usage patterns, and awareness of energy-saving measures. Equipped with survey forms and questionnaires, the volunteers engaged with residents to collect information on various aspects of energy consumption, including household appliances, lighting systems, and energy conservation habits.

During the survey, volunteers also conducted awareness sessions to educate residents about the importance of energy conservation and the benefits of adopting energy-efficient technologies and practices. They shared practical tips and strategies for reducing energy consumption, such as using energy-efficient appliances, turning off lights and electronics when not in use, and optimizing heating and cooling systems.

The survey findings provided valuable insights into the energy consumption behavior of residents in Limoni Baug and identified areas where interventions could be implemented to promote energy efficiency and sustainability. The data collected served as a basis for developing targeted initiatives and awareness campaigns to encourage residents to adopt more eco-friendly and energy-conscious lifestyles.

Through the survey on energy consumption, the NSS unit demonstrated its commitment to environmental stewardship and community engagement. By empowering residents with knowledge and resources to make informed choices about energy usage, the initiative aimed to contribute to a greener and more sustainable future for the adopted area and beyond.

37.Activity: Conducted Disaster Management Training in collaboration with the Civil Defence of Mulund.

- **Date:** February 10, 2020
- **Location:** SNGC, Chembur
- **Level:** College Level
- **Description:** The NSS unit of SNGC, Chembur, organized a comprehensive Disaster Management Training session in collaboration with the Civil Defence of Mulund. Recognizing the importance of disaster preparedness and response in ensuring community safety, the training aimed to equip students with essential skills and knowledge to effectively respond to emergencies. The training covered various aspects of disaster management, including disaster risk assessment, evacuation procedures, first aid techniques, and coordination mechanisms. Participants engaged in practical exercises, simulations, and demonstrations to enhance their understanding of disaster response strategies and protocols. Expert trainers from the Civil Defence of Mulund provided valuable insights and guidance throughout the training session, emphasizing the importance of teamwork, leadership, and communication in mitigating the impact of disasters.

Conclusion:

The Disaster Management Training session provided an invaluable opportunity for students to enhance their knowledge and skills in responding to emergencies effectively. By equipping participants with practical tools and techniques, the training aimed to foster a culture of preparedness and resilience within the student community.

Outcomes:

1. **Enhanced Preparedness:** Participants gained a deeper understanding of disaster management principles and procedures, enabling them to respond more effectively to emergency situations.
2. **Improved Skills:** Practical exercises and simulations helped participants develop essential skills such as first aid, evacuation, and communication, enhancing their ability to act swiftly and decisively during crises.
3. **Increased Awareness:** The training raised awareness about the importance of disaster preparedness and the role of individuals in ensuring community safety, encouraging participants to take proactive measures to mitigate risks and vulnerabilities.

4. Strengthened Collaboration: Collaboration with the Civil Defence of Mulund facilitated knowledge exchange and networking opportunities, strengthening partnerships between the academic institution and external stakeholders in promoting community resilience.

38.Activity: Conducted awareness campaign on waste management in Tilak Nagar.

- **Date:** February 15, 2020
- **Location:** Shakaar Cinema, Tilak Nagar
- **Level:** Area Level II
- **Description:** The NSS unit organized an awareness campaign on waste management in Tilak Nagar, aiming to educate residents about the importance of proper waste disposal and segregation. Volunteers conducted interactive sessions and distributed informational materials to raise awareness about the environmental impact of improper waste disposal practices and the benefits of adopting sustainable waste management techniques. The campaign focused on promoting waste segregation at the source, composting of organic waste, and recycling of recyclable materials. Additionally, volunteers demonstrated practical tips and techniques for reducing household waste and encouraged community participation in cleanliness drives and waste management initiatives.
- **Participants:** A total of 10 NSS volunteers actively participated in organizing and conducting the awareness campaign.

Conclusion:

The awareness campaign on waste management in Tilak Nagar aimed to foster a culture of responsible waste disposal and environmental stewardship among residents. By providing valuable information and practical guidance, the initiative sought to empower individuals to take proactive steps towards reducing waste generation and promoting sustainable practices in their communities.

Outcomes:

1. **Increased Awareness:** The campaign successfully raised awareness about the importance of proper waste management practices and their impact on the environment.
2. **Behavioral Change:** Participants showed a positive response to the campaign, with many expressing willingness to adopt sustainable waste management techniques in their daily lives.
3. **Community Engagement:** The initiative fostered community engagement and participation in waste management initiatives, encouraging residents to take collective action towards creating a cleaner and greener neighborhood.

4. Long-Term Impact: By promoting sustainable waste management practices, the campaign aimed to contribute to the long-term environmental sustainability of Tilak Nagar and empower residents to become agents of positive change in their communities.

39.Activity: Safety Riding Stimulation Games for Students

Date: 27/02/2020

Location: SNGC , Chembur

Level: College Level

Participants: 40 (Students)

Details:

On 27th February 2020, the NSS unit at SNGC, Chembur, organized Safety Riding Stimulation Games for students to promote awareness and education about safe riding practices. The event aimed to enhance students' understanding of road safety rules and foster responsible behavior while riding motorcycles or bicycles.

Forty students actively participated in the Safety Riding Stimulation Games, which consisted of a series of interactive and engaging activities designed to simulate real-life riding scenarios. The games included obstacle courses, role-playing exercises, and quiz competitions focused on traffic rules, hazard recognition, defensive riding techniques, and the importance of wearing protective gear.

The Safety Riding Stimulation Games provided students with a hands-on learning experience, allowing them to develop crucial skills such as decision-making, situational awareness, and risk management in a controlled environment. Through practical challenges and teamwork, participants gained valuable insights into safe riding practices and learned how to navigate various traffic situations effectively.

Additionally, the event facilitated discussions on road safety issues and encouraged students to share their experiences, concerns, and ideas for promoting safer roads within the college campus and the broader community. The interactive nature of the games fostered active participation and collaboration among students, creating a supportive and engaging learning environment.

By organizing the Safety Riding Stimulation Games, the NSS unit at SNGC, Chembur, demonstrated its commitment to promoting road safety awareness and empowering students to become responsible road users. Through education, advocacy, and practical training, the event aimed to reduce the risk of road accidents and contribute to building a safer and more sustainable transportation environment for all.

40.Name: Celebration of International Women’s Day by creating awareness on Menstrual Hygiene among school girls

1. Name of College: Sree Narayana Guru College of Commerce

2. Date of Activity: 09/03/2020

3. Name of POS (Programme Officers):

Mohammed Jabir

Priyanka Suryavanshi

4. Brief Description of Activity:

NSS volunteers of Sree Narayana Guru College of Commerce celebrated International Women's Day by conducting an awareness program on menstrual hygiene. The focus was on educating school girls studying in 8th or 9th standard about menstrual hygiene practices. Additionally, sanitary napkins were distributed to the school girls to promote better menstrual health management.

5. Location: Sree Narayana Guru School (Marathi medium)

6. Name of the NGO: Not Applicable

7. Number of Volunteers Participated: 5 NSS volunteers

8. Number of Beneficiaries Reached:

The event reached out to a total of 34 students from the Sree Narayana Guru School.

This activity not only celebrates the spirit of International Women's Day but also contributes to the crucial cause of menstrual hygiene awareness, ensuring the well-being and dignity of young girls in the community.
