Institution's Innovation Council

Academic Year 2022-23

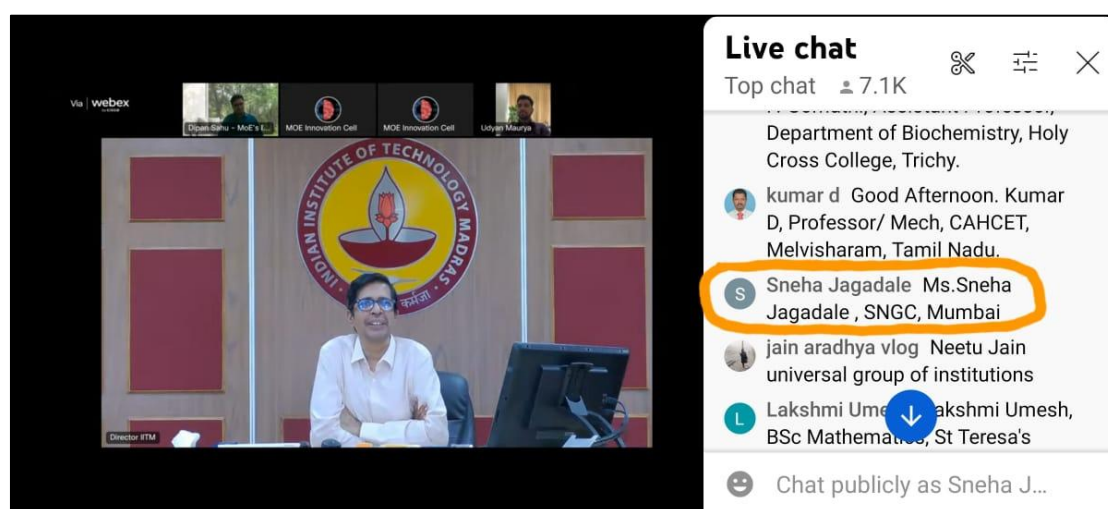

The Institution's Innovation Council was established in our College in the year 2022-23. The Ministry of Education's Innovation Cell in collaboration with AICTE ,launched Institution's Innovation Council in the year 2018 to develop innovation and startup ecosystem in higher education institutes. Various activities ,assigned by MoE's Innovation Cell, have been conducted in our College. Details of various activities to inculcate innovation and entrepreneurial skills are as follows;

1) Virtual Session “Out of Box Thinking for Problem Solving”

Ministry of Education's Innovation Cell, Govt. of India, had organized a virtual “Out of Box Thinking for Problem Solving” on 28th June, 2022 from 2:00 pm to 3:00 pm. The objective of organising the session was to enable students to think out of box. Prof. M. Kamakoti, Director, IIT, Madras, was the resource person. He spoke about out of box thinking, story based learning, traditional games and their role in learning.

Out of thinking for problem solving Total 21 participants attended the session. It was an out of box session. It generated curiosity in the minds of students and they are keen to apply the knowledge gained in the session.

Who am I?

1234 is a 4-digit number made of 4 digits

A member says: "I am a 4-digit number made of repeated digits from only one digit. I am close to 2000 than 3000."

WHO AM I?

Answer is 2222

The answer is also 1111. Many answer only 2222. They vote from between the given on a number line not externally. That's the catch!
