SREE NARAYANA GURU (1856-1928)

Sree Narayana Guru was a prominent social reformer, philosopher, and spiritual leader from Kerala, India. He was born on August 20, 1856, in Chempazhanthy, a village near Thiruvananthapuram, the capital city of Kerala. Sree Narayana Guru belonged to the Ezhava community, which was historically marginalized and faced discrimination in the caste-based social hierarchy prevalent in Kerala during that time. He strongly advocated for social equality, education, and the upliftment of oppressed communities. Sree Narayana Guru emphasized the importance of spiritual enlightenment and individual liberation, irrespective of caste, creed, or gender. He worked tirelessly to eradicate caste-based discrimination and untouchability. He established several temples, schools, and ashrams, which were open to people from all castes, including lower castes. These institutions played a significant role in promoting education, social harmony, and the empowerment of marginalized communities. His teachings emphasized self-reform, self-reliance, and the importance of moral values. He sought to eradicate social evils such as caste discrimination, superstitions, and rituals that perpetuated inequality. His teachings and philosophy continue to have a profound impact on Kerala society and beyond. Sree Narayana Guru passed away on September 20, 1928, but his legacy lives on through his teachings, institutions, and the impact he made in the realm of social reform and spiritual enlightenment. He is revered as a social reformer, philosopher, and spiritual guide by millions of people in Kerala and beyond.

Teachings of Sree Narayana Guru

- *"One Caste, One religion, One God for man."*
- *"Whatever be the religion, it is enough if man becomes virtuous."*
- *"Ask not, think not and say not caste."*
- *"Acts that one performs for one's own sake, should also aim at the good of other men."*
- *"Not to argue and win, but to know and let know"*
- *"Gain freedom through education."*
- *"Gain strength through organization."*
- *"Gain prosperity through industry."*
- *"Liquor is poison, make it not, sell it not and drink it not."*
- *"Of one in kind, one in faith, one in God is man, of the same womb, one same form, difference none there is at all."*

Sree Narayana Mandira Samiti

Sree Narayana Mandira Samiti (SNMS) is the biggest Educational and Charitable Organisation in the name of Sree Narayana Guru outside Kerala State. It was established in 1963 and is engaged in the promotion and propagation of Sree Narayana Guru's Teachings and Philosophy. The main areas of activity of SNMS are education, vocational training, skill development, entrepreneurship, healthcare, cultural, sports and other humanitarian assistance for the benefit of the general public with special focus on the poor and weaker sections of the society.

About the College

Established in July, 1986 by Sree Narayana Mandira Samiti situated at P.L. Lokhande Marg, Chembur (West) in about 5 acres of greenery with 2 multi-storied buildings, situated close to Chembur Railway Station and Monorail and many BEST buses are regularly operating at this route serving people coming from different destinations. The College was started mainly to serve the local student community who were otherwise largely deprived of higher education but today students living across Mumbai, Navi Mumbai and Thane city seek admission. The College is permanently affiliated to University of Mumbai and recognized by UGC under Sections 2(f) and 12B of UGC Act, accredited thrice by National Assessment and Accreditation Council (NAAC) of India and it is a Malayalam Linguistic Minority Institution.

The College offers ten Graduate programmes and four Post Graduate programmes. It is known for its strict discipline and regularity in holding lectures and has been maintaining excellent academic results. It also promotes sports and cultural activities aiming for the overall personality development of students. The College gives importance in inculcating the soft skills in its students to enhance their employment potential and it regularly organizes national level seminars, conferences and workshops and also organizes 'Oasis' the Inter-Collegiate competitions in sports and cultural events every year. It also hosts many University Zonal level sports competitions in our spacious campus.

OUR VISION

"Arise awake and stop not till the goal is reached"
-Swami Vivekanand.

As we come together once more to celebrate the achievements and Aspirations of our cherished institution through the pages of our college magazine, I wish to extend my warmest wishes to each one of you.

In the ever-evolving landscape of education, we are committed to staying at the forefront. To address the changing needs of our students and the job market, we have introduced new courses that are in high demand. These courses are carefully curated to ensure that our graduates are not only well-prepared for the challenges of the professional world but also possess critical thinking and problem-solving skills that are essential in today's dynamic global environment.

In the journey of education and transformation, the foundation of an institution is of utmost importance, built upon the strength of its infrastructure. I am proud to announce that, over the past years, we have continued to invest significantly in the enhancement of our campus infrastructure and will continue to do so in near future too, ensuring the leading facilities provide our students with the best possible environment for learning and growth.

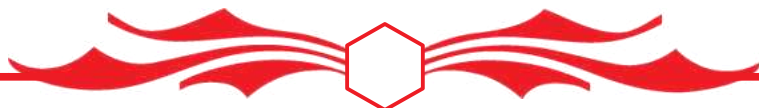

Furthermore, we have established a dedicated research cell within our institution. This initiative aims to strengthen research activities, encourage innovation, and foster a culture of inquiry among our students and faculty. Our long-term vision includes the establishment of a Research Center within the College. This will provide our scholars with a platform to contribute significantly to their respective fields and promote academic excellence.

We take pride in our commitment to quality, and as part of this commitment, we are actively working towards improving our NAAC grade. The NAAC accreditation serves as a testament to our dedication in maintaining high academic standards and ensuring holistic development.

Looking ahead, we are setting our sights on a new milestone—Autonomy. The Autonomy of an institution provides the flexibility to design and implement innovative educational programmes that are tailored to the needs of our students and the demands of the industry.

As we reflect on our achievements and set our sights on the future, I want to acknowledge the dedication and hard work of our faculty, the enthusiasm and commitment of our students, and the unwavering support of our staff. Let us work together to shape a brighter world for our institution and the future generations.

Shri M.I.Damodaran

Shri N. Mohandas
Chairman
Sree Narayana Mandira Samiti

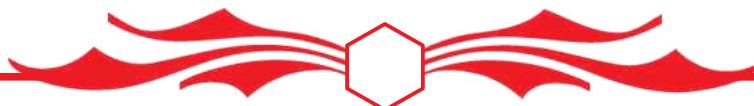

Greetings to all the staff and students of Sree Narayan Guru College of Commerce. I am honoured to be the Chairman of this esteemed institution that is enthusiastic about excellence and developing the society through education. As we embark on a new academic year, I would like to share some of the achievements and challenges that we have faced and overcome in the past year.

Firstly, I would like to congratulate our college for its remarkable progress in various aspects, such as students' strength, academic excellence, and adding of new courses. These achievements are the result of the hard work and dedication of our management, faculty, and students who have strived to uphold the vision and mission of our college. Secondly, I would like to appreciate our college for its innovative and comprehensive approach towards education that aims to enhance the employability of our students by providing them a cutting-edge certification of the latest in-demand skills in association with the leading in industry. Our college also cares for the underprivileged groups of the society who have been deprived of getting education, we have been working to uplift them by providing relevant and need based quality education. Thirdly, I would like to highlight the academic and research-based excellence that our college has achieved in the past year. Our college has published several research papers in reputed national and international journals and conferences. We have received many grants from various funding agencies for conducting research projects on diverse topics. Numerous workshops, seminars, and guest lectures on various subjects and domains were held to enhance and enrich the knowledge and skills of our faculty and students.

Finally, I would like to urge everyone to continue their pursuit of excellence and innovation in education and research. We need to have sympathy and understanding for each other and work together for the betterment of the society. We need to develop good humanitarian values that will bring peace and happiness in any given situation. As Guru says, "Whatever be one's religion, let him be good," hence we need to make our actions good.

I wish you all an incredibly happy and successful academic year ahead. May Guru shower his blessings on all of you. Thank you.

Respected Faculties & Loving Students,

I am deeply honoured and privileged to have the opportunity to convey my thoughts and reflections in this college souvenir. As the General Secretary of Sree Narayana Mandira Samiti, it gives me immense joy to share the remarkable journey we have undertaken, especially in supporting and uplifting the underprivileged students from urban slums.

Sree Narayana Mandira Samiti is a beacon of hope and a testament to the idea that education is the key to breaking free from the cycle of poverty. We firmly believe in the vision and teachings of Sree Narayana Guru, who advocated for the empowerment of the marginalized sections of society through education and enlightenment.

In the heart of urban slums, where poverty and despair often reign, we have made it our mission to provide quality education to students who may not have had access to it otherwise. Our commitment to this noble cause has yielded exceptional results, and we have seen young minds from these challenging backgrounds transform into confident, educated, and empowered individuals.

Our organization plays a vital role in the lives of these students by providing them not only with academic knowledge but also with life skills, mentorship, and support systems that help them navigate the hurdles of life. We instil in them the values of self-reliance, social responsibility, and the importance of giving back to the community.

The Sree Narayana Mandira Samiti believes in creating an inclusive, harmonious society where education is a powerful tool for social change. We're proud of our students who have not only excelled academically but have also contributed to their communities and are role models for others facing similar challenges.

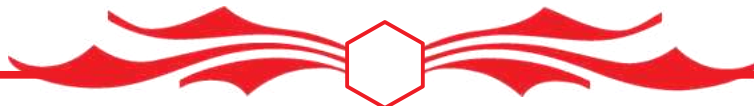

As we continue our journey, we aim to expand our reach and make a more significant impact by supporting even more students from disadvantaged backgrounds. Your support and encouragement have been instrumental in our success, and we look forward to your continued association and partnership.

I would like to extend my heartfelt gratitude to all our faculties, students, staff, members, well-wishers, and supporters who have been the driving force behind the Samiti's achievements. Together, we can ensure that every child, regardless of their socio-economic background, has access to a bright and prosperous future through education.

Thank you for your unwavering support, and may we continue to be the change we wish to see in the world.

With warm regards,

Shri. O.K. Prasad

From Principal's desk....

Dear students and all stakeholders,

I am delighted to extend my warmest greetings and welcome to the 2022-23 academic year College magazine. The college magazine serves as a reflection of our collective journey, a showcase of our accomplishments, and a platform for sharing our stories. It is a testament to our commitment to academic excellence, and the nurturing of a well-rounded, holistic education.

Our faculty members, who are the pillars of this institution, have played a crucial role in shaping the minds of our students. Their unwavering support for our students' growth is truly commendable.

This magazine reflects the unprecedented challenges we have faced, especially in recent times. The COVID-19 pandemic has tested our resilience, adaptability, and unity. We have learned, grown, and emerged stronger as a college community, and I am immensely proud of our collective response to this crisis.

I encourage you to celebrate the achievements, the innovations, and the stories that define our College. I hope you find inspiration, knowledge, and a sense of pride in being a part of Sree Narayana Guru College of Commerce.

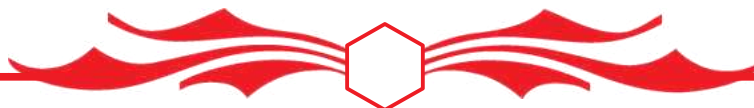

I extend my gratitude to the editorial team, contributors, and everyone involved in making this magazine a reality. Your hard work and dedication have once again resulted in a publication that reflects the excellence and the spirit of our College.

I hope you enjoy reading the College magazine. Wishing you all a bright and successful future.

With warm regards,

Principal

Dr. Ravindran Karathadi

37th Annual Report

The 37th Annual Report of our College provides an overview of the various aspects of our institution's performance and achievements over the past year.

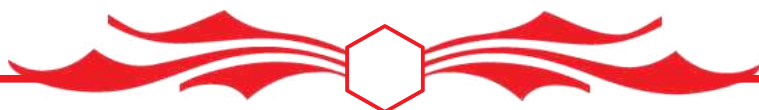

The Covid-19 pandemic has had a significant impact on students worldwide, leading to various losses and challenges. Shift to remote learning has resulted in a significant loss of classroom instruction and face-to-face interaction with teachers and peers, limited access to technology, and resources, poor internet connectivity, and so on contributed to learning loss mainly to marginalized communities. The pandemic has worsened existing educational inequalities. Students from low-income backgrounds and marginalized communities are the greatest losers. It is important to acknowledge these losses and work towards addressing the impact of the pandemic on students. The College has made efforts to bridge the digital divide and implement strategies to mitigate learning loss which were crucial to ensure students recover and thrive in their educational journey. Teachers were on their toes to help the students in all possible ways to see that they could tackle their difficulties.

During the academic year, the College witnessed a significant increase in the overall student enrolment. The total strength of students across all programs reached a record high of 3,336 showing the growing popularity and reputation of our institution.

Final-year students' academic performance: The COVID-19 pandemic created a huge gap in the educational achievement of students across the world besides other losses. The post-COVID period academic result of all colleges was extremely poor. Out of 538 students who appeared for final year undergraduate exams 362 passed giving a passing percentage of 67.29% compared to the earlier consistent result percentage of above 90%. Out of the 647 first-year students, 480 students passed and were promoted to second-year classes giving 74.19% pass and promotion. In the second year out of 574 students, 436 students got passed and promoted to the third-year classes, which is 75.96%.

Faculty Development Programs: Our College places great emphasis on faculty development and enrichment. Several workshops, seminars, and training programs were organized by our College and also encouraged our teaching staff to participate in such training programs organized by other institutions to enhance their skills and knowledge.

New UG and PG programmes: The College has introduced two new undergraduate and one postgraduate program after affiliating with the University to supplement the existing 10 UG and 3 PG programs. These additions aim to cater to students' evolving needs and demands and the job market. Recognizing the growing importance of data analysis and its applications across industries, the College has introduced B.Sc. Data Science programme. The program equips students with skills in data collection, analysis, interpretation, and visualization. The College also introduced B.A. Economics program as per the demand of local parents. To enable our B.Sc. I.T. students to

do their post-graduation in their own College we got affiliation to start M.Sc. I.T. programs in our College.

The College Internal Quality Assurance Cell (IQAC) and Research Committee played a pivotal role in fostering a culture of research and innovation among the faculty and students. A substantial number of research projects were undertaken across various disciplines by the students guided by their teachers. The teachers too engaged in research activities, resulting in numerous publications in reputed journals and presentations at national and international conferences. The IQAC organized workshops on ‘Cyber Security’, ‘NEP, Dynamics for teaching fraternity’, ‘Financial Planning’, ‘Educators Awareness on NEP 2020: Preparedness of HEI on ABC’, IPR’, ‘Outcome-based Education, etc.

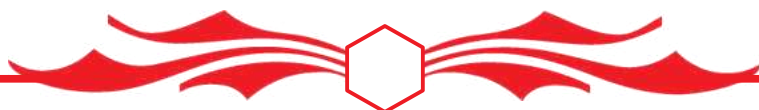

A state-level workshop on “How to Prepare Research Proposals for Getting Sponsorship from Various Government and Non-Government Agencies” was organized on 27th July 2022. Dr. Sangeeta Pawar, HOD of the Department of Commerce, University of Mumbai was the resource person. A total of 78 participants benefited by attending the workshop. The Committee also organized a University-level workshop on “Review of Literature” on 24th January 2023. Dr. Poonam Kakkad was the resource person. A total of 108 teachers and students participated and benefited. A Research Advisory Committee was formed on 4th February 2023 with Dr. Sangeeta Pawar, HOD of the Commerce Department of University of Mumbai as the Chairperson, Dr. Poonam Kakkad as a member, and Dr. Madhu Nair, former dean of Commerce and Management of University of Mumbai as a special advisor.

Four departments of the College have undertaken minor research projects sponsored by non-government organizations and submitted their project reports.

NSS Activities: The College has two units of the National Service Scheme (NSS) with 200 student volunteers. Throughout the year our NSS student volunteers conducted various community service and personality development activities such as Blood donation camps, Thalassemia Check-up, Vaccination drives, Eye check-up camps, cleanliness drives, yoga programs, awareness sessions on HIV & AIDS, Street plays on various awareness topics, Drug abuse awareness sessions, cultural activities, training sessions, Poster making competitions on topics like organ donation, sessions on Cyber Crime and safety awareness, sessions on gender equality, tree plantation sessions, 7 days residential camp at the adapted village, etc.

These activities contributed immensely to benefit the society around the College and also the students to develop leadership skills, social awareness, and a sense of responsibility.

Community Service Awards: The College and its students and the Programme Officer of the NSS Unit have received recognition for their active involvement in community service and social initiatives. These awards acknowledge the College’s commitment to social responsibility and the positive impact it has made on the local community through various outreach programs and initiatives.

Extension Cell:

The Extension Cell DLLE of the College also organized many sessions and competitions to make our students to be socially responsible citizens.

Institution's Innovation Council:

Institution's Innovation Council (IIC), an initiative by the Innovation Cell, Ministry of Education, Government of India, to foster innovation and entrepreneurship among students and faculty in higher education institutions was formed in the College this year. The council conducted various sessions, workshops, competitions, certificate courses, etc. on innovations, start-ups, and motivation sessions.

Certificate Courses: The College successfully organised 14 add-on skill based certificate courses during the year. A total of 991 students successfully completed these certificate programmes. 238 of the 991 students joined for two and three courses and largely benefited.

External Academic and Administrative Audit (AAA) for the year 2021-22: Triple A audit was conducted for the year 2021-22 by inviting Principal Venkitaramani, the former Registrar of University of Mumbai as the Chairperson and Professor Moushami Datta, the Principal of Nagindas Kandwala College, Malad as a member. They appreciated the style of working of the College and gave valuable suggestions for further improvement.

Participation in NIRF Rankings 2023: The College registered for India Rankings 2023 through the NIRF portal and participated in the same.

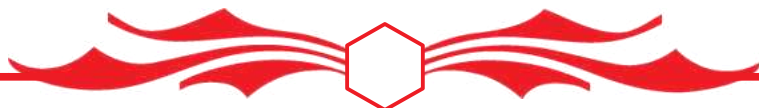

Mentoring: The College strengthened the mentoring of students by the faculties by classifying the students according to their needs grouping students into small numbers with group leaders and allotting manageable sizes of students to each teacher. Regular interaction with the group leaders and students by the teacher throughout the year was a great help for every student in their journey of acquiring knowledge, skills, and values. Keeping records of mentoring and regular reporting helped a lot in strengthening the mentoring.

Career Counselling and Placement Cell activities:

The College Career Counselling and Placement Cell has conducted many webinars training programs, and guidance sessions for students to prepare for various job opportunities and for selecting and taking admissions in professional programs in the country and abroad. A large number of students actively participated in all these events and immensely benefited.

Cultural Committee Activities:

Cultural events and celebrations play an essential role in fostering a vibrant and inclusive campus environment. They provide opportunities for students, faculty, staff, and the wider community to come together, celebrate diversity, and showcase various cultural traditions. The College organized a two-day Inter-Collegiate Cultural and Sports mega festival 'Oasis' on the 13th and 14th of January 2023. The two-day festival consisted of 24 Cultural events and 8 sports events such as Dance, Beatboxing Rapping, Fashion show, Street play, Fun games, Debate, Lips Don't Lie, Singing,

Blank typing, Box cricket, kabaddi, Kho-Kho, Volleyball Basketball, Chess, Carom and many more. 2,692 students from 92 colleges participated in the competitions. The excitement was at its peak.

A few of the other activities organized during the year were ‘Azadi ka Amrut Mahotsav’, Garba Day, Freshers’, Day, various Days of importance, Intra-Collegiate Fest, College Annual Day and Prize Distribution, etc. All these activities were well organized and accepted by the students.

Sports Activities:

The Sports department of the College is very active and has given practice, facilities, and training to a large number of sports-loving students throughout the year. The department is headed by a qualified person with the assistance of one staff and many students. Besides the daily practice opportunities, the department conducted numerous sports competitions and organized the Annual Sports Meet on 23rd January 2023. The majority of the students of the College participated in the Annual Sports Meet and made the event a memorable one for everyone. The department also conducted 8 sports events in intra-collegiate cultural and sports competitions ‘Oasis’ with more than 1,500 students participating from more than 90 colleges with a huge success. The department also organized the University of Mumbai Zonal sports competitions at our College, which was appreciated by the participants and the sports department of the University. The College motivated our students to participate in the sports competitions organized by other Colleges and the University and won prizes and appreciation.

Women Development Cell:

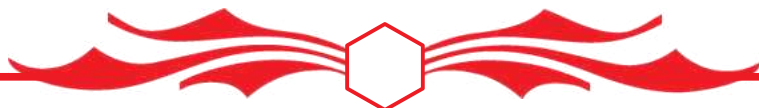

The Women Development Cell of the College has conducted many inter and intra-collegiate events and workshops to promote the welfare and development of female students and address issues related to gender equality, women’s rights, and safety. The Cell conducted awareness workshops, counselling sessions, sessions on legal awareness, etc. It also collaborated with NGO Akshara and organized Y-Talks (youth talks) having workshops, games, fun events, and live concerts. More than one thousand students from different colleges affiliated with Mumbai University participated in the event attended by an International influencer Masoom Minawala and made it a very successful mega event.

Parent Teacher Meetings:

Class teachers and coordinators of all programmes conducted many parent-teacher meetings to brief the parents about the progress of their wards and to seek their active involvement in shaping the future of their wards.

Students Council:

College Students Council was formed on 16th September 2022, after the first year of undergraduate programme admissions. The Council consists of academic toppers of all the classes of each programmes and activity merit students of sports, cultural, and NSS nominated by the respective committee in charge. The election for the General Secretary of the council was conducted on 19th September. Mr. Aditya Ingle, TY BAF was elected as the General Secretary of the Council.

The members of the Council actively participated in organizing all College events and made the events successful.

International Conference:

International Conference on “Path towards Multi-Trillion Economy with Reference to India” was organized by the College on 28th January 2023 in association with the Commerce Department of University of Mumbai. Professor R. Nagarajan, IIPS was the Chief Guest, Dr. Narentharan Kaliappan from the University of Utara, Malaysia was the keynote speaker. Professor Sangita Pawar, HoD, Department of Commerce gave the introductory address of the conference. A total of 22 research papers were presented at the conference in two technical sessions. All these papers were selected for publication in UGC Care journals.

Library Committee activities:

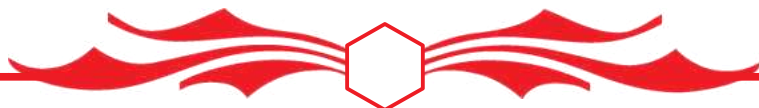

The Library Committee of the College organized many events during the year. Reading Day, National Librarian’s Day, Book Exhibitions, Essay writing competitions, etc. are a few of the events organized by the committee.

Industry Collaborations and Partnerships: The College’s collaborations and partnerships with industry organizations have been acknowledged through appreciation. These partnerships demonstrate the College’s efforts in bridging the gap between academia and industry, fostering experiential learning opportunities, and providing students with practical exposure to real-world scenarios.

Faculty awards and recognitions:

Individual faculty members have been honoured with awards and recognitions for their academic excellence, recognizing their commitment to providing outstanding professional skills, leadership, and ceaseless efforts exhibited, resulting in major contributions to the effectiveness and success of the life skill programs for the benefit of their students. A few of such recognitions and awards bestowed to our faculty members are given below:

In summary, Sree Narayana Guru College of Commerce has had a transformative and highly productive year, marked by a series of significant accomplishments and milestones across various areas of our institution. Our unwavering commitment to academic excellence is reflected in our faculty development initiatives, the commencement of new undergraduate and postgraduate programmes, successfully completing skill-based add-on certificate courses, industry collaborations, and partnerships, organizing various workshops and seminars, actively engaging in community services through our NSS and DLLE units, and so on.

As we come to the end of this year's college Annual Report highlighting only a few points, I would like to express my sincere gratitude to everyone who has contributed to the success and growth of our institution. As we look ahead, we are committed to continuing our journey of academic excellence, holistic development, and societal impact. With the collective efforts of all stakeholders, we aim to provide a nurturing and inspiring environment that empowers our students to become responsible citizens and leaders of tomorrow.

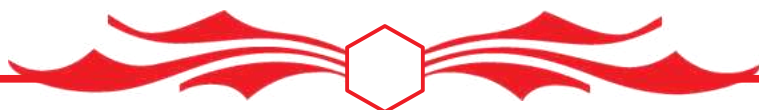

Sree Narayana Guru College of Commerce is committed to building on this foundation of excellence. We will continue to innovate, adapt, and engage with the ever-changing landscape of higher education. Our vision is to remain a beacon of knowledge, empowerment, and community enrichment.

We extend our sincere appreciation to our dedicated faculties, staff, students, management, Industry partners, and all stakeholders for their unwavering support and collaboration. Together, we are poised to make even greater strides in the years to come, empowering our students and advancing our mission of knowledge and service. Thank you once again for your continuous support, and I look forward to another successful year ahead.

I extend my heartfelt gratitude to the magazine committee for bringing out the College magazine for the 2022-23 academic year.

Thank you for your continued trust in Sree Narayana Guru College of Commerce.

Commencement of Academic Year and Welcoming New Students: The Academic year commenced from 15th June, 2022 according to the Government Circular. College reopened with physical classes for SYJC. It was a jubilant moment for all, as after a gap of two years students

were reporting to college for physical classes. FYJC classes commenced from 12th September with an Orientation Programme for the students. Students were guided through a Power Point Presentation.

Financial Aid: College helped students to get all eligible freeship and scholarship from Govt. departments as well as from Private Trusts.

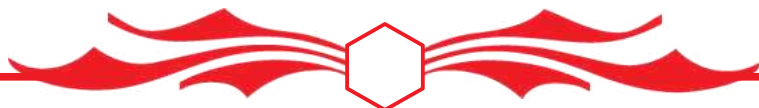

Examinations and Academic Help: The College arranged guest lecturers, remedial coaching, conducted class tests, etc. to enhance the students' academic performance at the Board exams. The students of FYJC and SYJC classes are divided equally among the teachers to guide them properly to achieve academic improvement. These Mentoring Groups helped teachers to identify the drawbacks and improve students' performance in all fronts. Two PTA meetings were held for the students of XI & 3 for XII. Prelim exam was conducted for 80 marks paper in the month of January and the weaker students were given Special Intensive coaching along with Guest lecture series. Experts were invited from other colleges to guide the students to tackle the HSC Board Exam. FYJC weaker students were guided through Mentoring groups to improve and this was monitored periodically by the subject & in-charge teachers.

Staff and Students' Committees: Students' Welfare Committee was formed for solving the students' grievances and for maintaining discipline. Various Staff Committees were formed for smooth systematic functioning of the College. Meetings of these Committees were held regularly to review and evaluate the College functioning. The Student Welfare Committee conducted various programmes for the overall welfare of the students in the field of health, personality development & soft skill. The following were the programmes held in the academic year:

1. Blood checkup camp & free medicine & health kit distribution for girls by Niramaya Health Foundation.

PATRIARCHY IS A PILLAR OF SOCIAL INEQUALITY

INTRODUCTION

Social inequality is the condition when the resources available in the society are not equally distributed among various sections in the society or when certain sects are excluded from enjoying the resources available to all. Social inequality is a universal phenomenon. People across the world irrespective of caste, creed, religion, gender, education, income etc face social inequality in one circumstance or another. There are different means or types of social inequality ranging from wealth inequality, political inequality, life inequality etc. Maintaining social equality is a challenge which governments across the world face. The major examples of social inequality include income gap, gender inequality, health care, access to education, patriarchy etc. Class, race, and gender are forms of stratification that brings inequality and determine the difference in allocation of societal rewards. Gender as a social inequality is whereby women and men are treated differently due to masculinity and femininity by dividing labor, assigning roles, and responsibilities and allocating social rewards. Women never feel empowered in such a society.

One of the root causes of inequality in India is the patriarchal setup of the society. A patriarchal system is a society in which men control all aspects: from politics to morals to economics and even the actions of women. For centuries, the patriarchy has determined what is right from what is wrong, what can be done and what can't be done, where women go, how they act, and how much control they can have which is literally ignorable in a patriarchal society. Men, in this type of society, are the ultimate authority and power. Patriarchy finds its roots in the core principles of male dominance, centrism, and control. These values are rooted deeply and firmly within almost all the societies in the world.

Patriarchy is considered to be a very important element of social inequality. It creates an atmosphere of discrimination and oppression among the women which leads to reduced motivation, stress, frustration etc amongst the women community. Patriarchy is also considered as a weapon by male to prove their superiority over females. The men consider themselves more

powerful and privileged due to this evil social condition which is existing in countries around the globe. Oppression to woman is an interrelated historical fact. Woman is always dominated by man. Of course, times are changing and visible differences are now seen regarding how women are treated now as compared to earlier decades. There is a sign of positive change in this regard.

In one of the article by a women thinker Sylvia Walby, she had mentioned about two types or two distinct forms of patriarchy existing in the society which are as follows:-

- a. Private patriarchy where in the women becomes the target inside the household and is dominated by the male.
- b. Public patriarchy which is operating in the outside of the home, that is in public.

According to her, women have tried to overcome private patriarchy to a great extent but public patriarchy is still in force to a great extent. She also opines that women have struggled to change both their immediate circumstances and the wider social structures. Females keep challenging these norms of the structures, yet there is a long way to go.

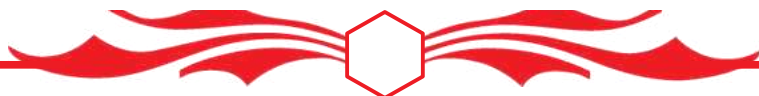

DISCUSSION

Patriarchy is a 'system of social structures and practices in which men dominate, oppress, and exploit women'. All human societies have a tendency to gain power amongst those who are the strongest, which manifests itself in numerous subconscious and invisible ways. Patriarchy is no exception: most institutions naturally give privilege to males over females. It divides society into men and women, insisting that men are more powerful, smarter, and better at almost everything than women are, therefore they should be in charge.

In a patriarchal social system, men are the highest authority and are unable to be questioned or directed by women. There are four main characteristics of patriarchy: male dominance, male identification, male-centeredness, and obsession with control which are explained briefly as follows:-

Male Dominance in Patriarchy

Male domination is an important aspect of patriarchal culture and is perhaps the number one reason for patriarchy in any sort of society: men always see themselves as better, stronger, and smarter than women. They see women are playthings who cannot possibly contribute in more ways than just doing the dishes and bearing their children. Male domination in a patriarchal society refers to the fact that men make all the decisions in both their family unit and society itself. They hold every position of power and authority possible. They are considered superior in all ways wherein women are hardly having any voice to raise their opinions.

Male Identification in Patriarchy

Male identification in a patriarchal society refers to the fact that men become concerned with identifying with qualities such as control, strength, and competitiveness. The men in a society such as this become obsessed with being forceful, rational, and having a strong work ethic. Male identification is necessary to patriarchy because, without it, men would likely allow their true personalities to show and allow women to participate.

Male Centeredness in Patriarchy

Male-centeredness in a patriarchal society refers to the fact that all activities and progression are due to men and what they can do to move society forward. Men become the developers and focusers of all inventions and events. Men become heroes in all situations. Men are the center of all fun, social engagements, and entertainment. They feel that women have no role or cannot contribute in any ways to the development of the society or economy.

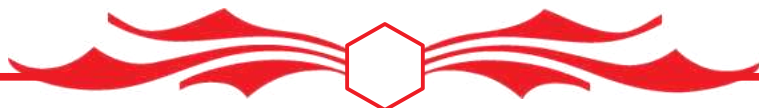

Control of Family Situations

The last aspect of a patriarchal system is men's obsession with control. Men who live in a patriarchal society think they must be in control at all times. They desire to control all family and social situations. Similarly, they must make all decisions in regard to education and finances. They take it a step farther when they begin oppressing women for attempting to gain even the slightest amount of control. In a patriarchal society, women cannot obtain leadership roles, make decisions, show independence, or suggest change without permission from a man.

The Six Structures of Patriarchy

According to Walby, patriarchy operates in a more complex manner through six unique structures:

- 1) Production relations in the household- In the home, a woman must work for free under the expectations of her husband
- 2) Paid work- In the working world, women suffer from discriminatory pay, unfair treatment, and often find themselves in less demanding roles than their male counterparts.
- 3) The patriarchal state - States can be inherently oppressive to women through policies and laws. Society is fundamentally biased toward the man. The role of women in politics is also negligible as compared to men.

4) Male violence - This is not random or individual as it might appear. Instead, it operates under patterned and systemic criteria. Violence towards women is prohibited under law but the sad state is that many times the law is not followed.

5) Patriarchal relations in sexuality - Different rules apply to both genders in social norms and expectations regarding sexual behavior.

6) Patriarchal cultural institutions- Many facets of society, namely media, religion, and education, produce and perpetuate portrayals of women through a patriarchal viewpoint. These viewpoints then contribute to women's own understanding of femininity. Many times women are portrayed as sex symbols.

PATRIARCHY IN INDIA

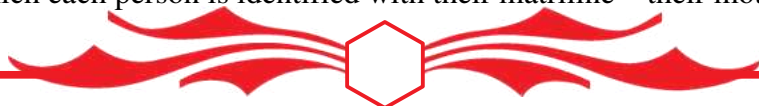

The system of patriarchy is commonly followed throughout the states in our country as well. In Indian society, in particular, the patriarchal norms and values are also a result of caste and religious inequalities that haunts the society. All these go hand in hand because that's what is being heard off since generations and generations. In Indian society, there is a notion that males are breadwinners and women are homemakers, which itself is a result of the patriarchal norms. This norm is then passed on to generations which make the upcoming generations also to believe in the same way. Thanks to education, we can see better changes in these areas now which are quite motivating and welcoming.

Examples of Patriarchy in day to day life.

- Using the surnames of father or husband.
- Mandatory household duties by women.
- Pay gap in gender wherein women get less paid than men. It was quite a motivating news when the BCCI announced that they are going to pay women cricket players at par with men.
- Moral policing
- Failure to discuss about women achievements
- Property Inherence and title related matters etc.

Cultures which follow the matrilineal system in India

When we talk about patriarchy, we should mention few cultures which do not support this system and follows matrilineal system which means of or based on kinship with the mother or the female line. Matrilineality is the tracing of kinship through the female line. It may also correlate with a social system in which each person is identified with their matriline – their mother's lineage – and

which can involve the inheritance of property and/or titles.

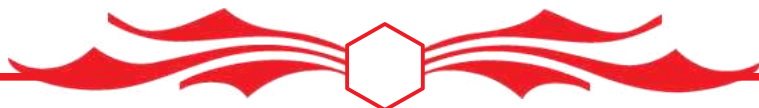

In several states of our country, the inhabitants follow this matrilineal system where the females are more powerful. In India, states such as Meghalaya, Assam, Kerala and Karnataka stood witness to various tribes as they came to practice matrilineality in their families. Some of the most significant tribes are Khasi, Gora, Nair and Izhava. Though matrilineal families, in Kerala and Karnataka, are urbanized and are being shifted gradually to patriarchal controls, the north-east still vehemently refuses to give up its age-old. There are also certain Muslims communities particularly to mention in the Malabar side, the Moplahs (or Mappilas) who even now follow the matrilineal system.

CONCLUSION

Patriarchy is a social evil which divides and discriminates between men and women. And by using this old age system, men resorts to various types of violence against women many of which are simply hidden within the four walls of their home. Today there is no area, field or sphere where women is lacking behind. We can see their enhanced presence starting from needles to airplanes. They have come miles ahead thanks to change in the social system especially with respect to providing education. Many steps are taken by ruling governments to make a difference in the lives of women and make them empowered but we have miles to go before we rest. The presence of women though seen but is still negligible in several areas especially the political system of country. Even if women representatives are there, many of them are just puppets in the hands of male leaders. Not forgetting the courage and distinct roles played by women leaders like Indira Gandhi, Jayalalithaa, Sushama Swaraj etc. ,still we need to go a long way in this regard.

Women are exploited in many ways in the society like economic exploitation, sexual exploitation, domestic violence, lack of participation in household matters, restrictions in mobility etc. These things need to be improved and more confidence and motivation needs to be instilled in the women. The roots of patriarchal behavior have to be traced back to a typical Indian household. Patriarchy in India is far too common. Mostly done in the name of protecting women, it has the implicit support of majority population in the country because it is widely believed that women need protection. This belief itself is the proof of prevailing social inequality. Independence, growth, empowerment etc. of women are perceived as a threat to men even now in many households.

A permanent social change is in the hands of future generations. What is promising now, is that a growing number of women are now educated and are getting more exposure to several fields of job opportunities. This is slightly loosening the tight hands of patriarchy. Patriarchy is a social

system which emerged centuries ago owing to the conditions which was prevailing during those periods. But now it is wrong to still continue to hold up this evil system in the society. It is not about supporting feminism and upholding that women is more powerful than men. According to my personal opinion, men and women needs to be considered equally with none dominating the other. Equality between men and women exists when both sexes are able to share equally in the distribution of power and influence and have equal opportunities for financial independence through work or through any other decent form, enjoying equal access to education and the opportunity to develop personal ambitions, interests and talents, sharing responsibility for the home and children and are completely free from coercion, intimidation and any kind of gender-based violence both at work and at home. The coming generations are welcoming such approaches and this will definitely put an end to this social inequality pf prevailing patriarchy.

COLLEGE COMMITTEE REPORTS

LIBRARY COMMITTEE REPORT FOR THE ACADEMIC YEAR 2022-23

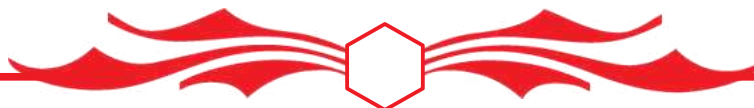

Committee Incharge - Ms. Naveena Suresh
Faculty Team - Dr S. Hosamani, Ms.Khan Gulfam

Library came into existence in the year 1986 along with the College. It stores various knowledge resources in the form of books, CD's and on line sources of N - LIST of the INFLIBNET centre of UGC. This abode of knowledge storehouse has vast collection of information resources in various facets of knowledge. Library has more than 25,000 knowledge resources in the form of books, project reports and CD's. Also library provides access to the available online resources of N - LIST of the INFLIBNET centre of UGC. Library is providing user friendly services to its users. The users of the library consist of faculty and students of the College. Library operations are fully computerized using SOUL 2.0 software of the INFLIBNET Centre for its functions.

In order to make the newly admitted students know more about the library sources and facilities, every year library conducts user orientation programmes to all the first year undergraduate students. The library also provides book bank facility to the economically weaker students of the general as well as for SC/ST category students. New titles of the information resources are added after considering the suggestions and recommendations of teaching and student fraternity.

The following are the list of activities conducted during this academic year. Other routine activities like purchasing of textbooks, issue /return of books etc are happening smoothly. The committee has also framed Library policy for reference.

A Report on 4th International Conference on “Path towards Multi Trillion Economy with Reference to India”

David Cameron says “The economy is the start and end of everything. You can't have successful education reform or any other reform if you don't have a strong economy.” The quote states importance of a strong economy. If we relate this to India we can understand the success that India had achieved so far to become a strong economy. It is also essential to understand India’s journey towards a multi trillion economy in a near future.

Keeping the goal of understanding various facets of India’s journey towards a multi trillion economy, IQAC and Research Cell in association with Department of Commerce, University of Mumbai organized a 4th International Conference on “Path towards Multi Trillion Economy with Reference to India” on 28th January, 2023.

The conference was graced by the esteemed presence of Shri. O.K. Prasad, General Secretary, Sree Narayana Mandir Samiti and Shri. V.V. Chandran, Treasurer, Sree Narayana Mandir Samiti, Dr Sangita Pawar, HoD, Department of Commerce, University of Mumbai. Dr. R. Nagarajan, Professor, IIPS and

Dr. Narentharan Kaliappan, University Utara Malaysia. Dr. R. Nagarajan was the chief guest and Dr. Narentharan Kaliappan was the key note speaker of the conference.

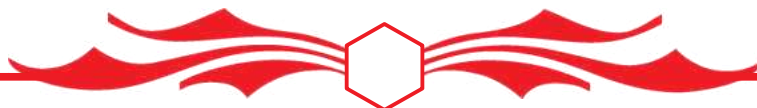

The conference was started with general introduction by Mr. Priyadarshan Shede, which was followed by lighting of the lamp by the chief guest, guest of honor and other dignitaries. It was followed by a welcome address by Principal Dr. Ravindran Karthadi. He introduced the college to the dignitaries and to the participants. He mentioned that the college has been serving the underprivileged strata of the society since 1986 by providing quality education. He further updated that the College run 12 undergraduate and 4 postgraduate programs. He also gave a brief introduction to Sree Naryana Guru and his contribution to make a better society.

It was followed by presidential address by Shri. O.K. Prasad, General Secretary, SNMS. He highlighted that human resources are the roots of India's growth. He added further that the growth depends upon how do we performance our role. He gave a quick review of how India has been growing. He then spoke about Sree Naryana Mandir Samiti and its contribution towards a better life and a better society. He said that Sree Naryana Mandir Samiti was established in 1963 and since then it has been following the path laid by Sree Naryana Guru. He further mentioned that the aim of SNMS is to uplift and develop the society.

Prof. Jaysree V. introduced the chief guest Dr. R. Nagarajan and Principal felicitated him. She then introduced and felicitated. Dr. Sangita Pawar. She also introduced Sri O.K. Prasad sir who was felicitated by Dr. Hinduja. Then she introduced Sri. V. V. Chandran Sir and he was felicitated by Dr. Sumi Nijith.

Dr. Sangita Pawar explained the concept note of the conference. She started her speech by giving a tribute to Sree Narayana Guru. She appreciated the college by saying that SNGC was the first college to organize international conference in a hybrid mode. She discussed various facets of India's growth. She said that economy starts with the mass and ends with the mass thus there is a need of inclusive growth. She further added that the growth would take place with a welfare approach through sectorial distribution of the economy. She also highlighted the sectors where the growth had not been taken place so far. She stressed that the youth would contribute a lot to dividend line. Thus youth sensitization would take place through vocal platforms.

Dr. R. Nagarajan, chief guest of the conference, started his speech by appreciating the theme selected for the conference. He also spoke about Sree Naryana Guru and his contribution. He mentioned that Sree Naryana Guru's contribution was great to create an equitable society. He continued his session by asking a question if India is really 5th richest country. He highlighted the need of equitable distribution of income. He said that it would not be called a growth if the income would concentrate in the hands of a few. He mentioned further that equitable distribution of the income could be called as a growth. Sir referred that India was listed under lower middle income category in the list which was prepared on the basis of levels of income. Thus he asked a question if India is really a trillion economy. He further discussed population and its connection to growth. He said that we would not blame population as a hindrance in growth and development. He added that life expectancy had been increased since the independence of India. He highlighted further the negative elements that drag us back from growth and development. He said that 4% of girls were not allowed to be born. So he asked what the money does for gender equality. He mentioned the need of investment in health and education to achieve total growth and development of humanity through economy.

Dr. Sumi Nijith introduced the key note speaker Dr. Narentharan Kaliappan, University Uttar Malaysia. Dr. Narentharan spoke on “Enhancing Bilateral Ties between Malaysia and India”. In the beginning of his session he gave a brief review of India’s journey towards multi trillion economy. He referred Center for Economics and Business Research’s estimation that India would become a \$10 trillion economy by 2035. He mentioned that building bilateral ties between India and Malaysia could enhance the competitiveness and expand the market and economy. He discussed 65 years old ties between India and Malaysia. He also spoke about India Malaysia Comprehensive Economic Cooperation Agreement (MICECA). He added that MICECA resulted into increase in India’s imports from Malaysia by \$5.9 Bn. and exports by \$3.12 Bn. He further discussed Bilateral Trade Agreement and its output. He briefed about Malaysian companies in India and Indian companies in Malaysia. He further spoke about higher education cooperation between Malaysia and India. 6.	Intra-collegiate Fest Sanskriti On 12th November, 2022.	<p>Cultural activities amplify the confidence level for students, which allow them to perpetrate. This will develop their personage and abet for a better career. Sanskriti- 2022 is an intra-collegiate festival that is organised every year for our students to showcase their skills and it gives them an opportunity for overall development along with academics. It was conducted this year on 12th November, 2022. We had total of 15 events in the one-day intra-collegiate cultural festival. The function was started with seeking the blessings of the almighty through a prayer and the auspicious lighting of the lamp. The program was continued with the welcome</p>

		address by our beloved Principal Dr. Ravindran Karathadi and followed by breaking the auspicious coconut to declare the event open. The inauguration program was followed by flash mob by our cultural students. We had 15 events scheduled at different timings for maximum students to participate such as debate to test the communication and leadership skills of our students. PowerPoint presentation to test the confidence and innovation skills in our students. Sudoku to test the critical thinking and logical reasoning skills of the students. Nail art, bridal and groom, Mehndi, IT quiz & Debugging, face painting, accounting knowledge test etc were also held to check the creative skills, IT and accounting skills of our students. We also had kept food stalls, fun games (All in a minute) and singing events. The program went well and we required good number of participations, inspite of First year examinations scheduled from the next working day. Total of 189 students participated in all the events. All the credit for the success of the event goes to the cultural team of students and teachers and a special thanks to our mentors Shri Sasidharan sir & our principal sir, without whose guidance and motivation, this would not be possible. A special mention to all the teachers who managed all the given events very wonderfully and our non-teaching staff who helped us in facility management.
7.	Saree & Tie Day & Personality Development on 19th December, 2022	It is very relevant to conduct cultural events which helps to enrich the personality of the students, one such activity is Personality Development that was conducted on 19th December, 2022 in the college Seminar Hall. It was continued after the Saree & Tie Day celebration in the morning. We received huge participation of 76 participants for our event . The programme had three rounds consisting of Ramp walk, Talent round and the Final Q & A round. The judges for the event were Dr Karishma Kasare Madam, Ms Naveena Suresh Madam & Mr Jabir sir. Departmental Fest Report: Iidara 3.0 - Bachelor of Management Studies

Date: 17th August 2022

Introduction:

Iidara 3.0, the intercollege level departmental fest organized by the Bachelor of Management Studies department, was a grand event that brought together students from various colleges to showcase their skills, talents, and management prowess. The fest comprised a diverse range of events, including a Marketing Mela, Mock Interviews, Sell a Product, and Sports events like Football and Carrom. With participation from more than 11 colleges and approximately 376 enthusiastic participants, Iidara 3.0 was a celebration of knowledge, competitiveness, and camaraderie.

Event Highlights:

1. Marketing Mela:

The Marketing Mela was a bustling marketplace where students exhibited their marketing acumen by creating innovative stalls to sell products or services. Each stall was an amalgamation of creativity and business strategy, leaving visitors impressed with the marketing brilliance displayed by the participants.

2. Mock Interviews:

The Mock Interview segment aimed to prepare students for their future careers by simulating real-life job interview scenarios. Experienced professionals and faculty members conducted the interviews and provided valuable feedback to the participants, helping them enhance their interview skills and build confidence.

3. Sell a Product:

In the Sell a Product event, students were given the opportunity to showcase their entrepreneurship skills. Each participant presented a unique product idea and demonstrated their selling techniques to the judges. The event not only encouraged innovation but also fostered an entrepreneurial spirit among the students.

4. Sports Events:

The sports events, including Football and Carrom, brought out the competitive spirit in the participants. The matches were intense and filled with moments of excitement and sportsmanship. The sports events added a dynamic element to the fest and allowed students to unwind and bond over friendly competitions.

Participation and Impact:

Iidara 3.0 witnessed an overwhelming response from students across colleges, with more than 11 institutions sending their brightest talents to participate in the fest. The total count of approximately 376 participants showcased the fest's popularity and the department's commitment to organizing an inclusive and engaging event.

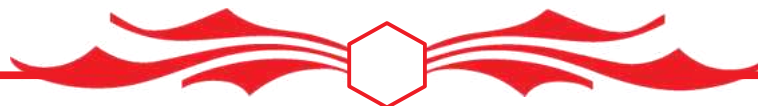

The fest provided a platform for participants to learn, network, and gain exposure to real-world scenarios in their respective fields. It served as a melting pot of ideas and perspectives, enriching the participants' academic experience and fostering a spirit of healthy competition.

Conclusion:

Iidara 3.0, the intercollege level departmental fest organized by the Bachelor of Management Studies department, was a resounding success. The event brought together students from various colleges, promoting knowledge exchange, creativity, and collaboration. The diverse range of events, including the Marketing Mela, Mock Interviews, sell a Product, and sports competitions, ensured that the fest catered to a wide array of interests and talents.

The participation from more than 11 colleges and approximately 376 students demonstrated the fest's immense popularity and impact. Iidara 3.0 not only provided a competitive platform for students to showcase their skills but also offered valuable learning experiences and memories that will remain with the participants for a lifetime.

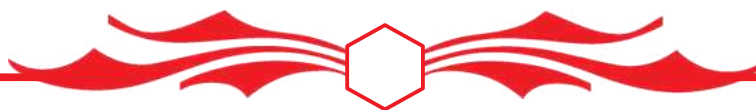

The success of Iidara 3.0 serves as a testament to the hard work and dedication of the organizing committee, faculty, and students involved in making this event a memorable and enriching experience. As the curtains close on this edition of Iidara, the department looks forward to more such events in the future, continuing to inspire and empower the next generation of management professionals.

Your Best

If you always try your best
Then you'll never have to wonder
About what you could have done
If you'd summoned all your thunder.
And if your best
Was not as good
As you hoped it would be,
You still could say,
"I gave today
All that I had in me".

My Creed

Passion defines my working, not greed
I wish to conquer the unexplored seas
Critics and failures can't get me down
I will win this race
Even if there's no blood in my knees
I need no Motivation
Because dedication resides in my creed.
No one can define my capabilities, but me
I don't need no support, there's no we
Realization of goals is all that matters
There's no parameter like extent or degree.
I need no motivation
Because dedication resides in my creed
Money and fame are not the motives of my life
but Sometimes, emotions do pierce me like a knife
Still Eye is on the destination, and proud is my heart.
Coz I am no errant but a knight.
I repeat
I need no motivation
because dedication resides in my creed.

Life is wondrous journey

Life is a journey, full of twists and turns,
A path that we walk, sometimes with concern.
We may stumble and fall, but we must carry on,
For life is a precious gift, a beautiful song.

It can be filled with joy, or fraught with pain,
But every moment counts, like drops in the rain.
We laugh, we love, we cry, we learn,
And through it all, our hearts must yearn.

For the beauty of life lies in the little things,
The sound of a bird, the joy that it brings.
The touch of a loved one, a smile on their face,
A warm embrace, a familiar place.

Life can be fleeting, and time can be short,
But memories live on, like a comforting port.
So cherish each moment, and hold it tight,
For life is a precious gift, a wondrous sight.

Through ups and downs, and twists and turns,
Our hearts must always be open to learn.
For life is a journey, full of love and light,
And every step we take, makes our story bright.

Essay on Sree Narayana Guru

Sree Narayana Guru, also known as Narayana Guru Swami, was a prominent spiritual leader and social reformer from Kerala, India. Born in 1856 in Chempazhanthy, a village near Thiruvananthapuram, he dedicated his life to the upliftment of the oppressed and marginalized sections of society, and advocated for social equality and education for all.

Narayana Guru was born into a family of farmers, and was educated in the traditional Vedic system. However, he was dissatisfied with the rigid caste system and inequality prevalent in Indian society at the time.

He began to question the established religious and social norms, and sought to find a more inclusive and egalitarian path.

Through his teachings and actions, Narayana Guru sought to break down the barriers of caste and religion, and promote a message of universal brotherhood and compassion. He emphasized the importance of education, and established several schools and educational institutions for the upliftment of the underprivileged. He also worked to eradicate social evils such as untouchability and discrimination based on caste.

Narayana Guru was a prolific writer and poet, and composed several hymns and prayers that reflected his philosophy of spiritual and social upliftment. He also founded the Sree Narayana Dharma Paripalana Yogam (SNDP), a social organization that aimed to empower the lower castes and promote their welfare.

One of Narayana Guru's most enduring legacies is his message of "One Caste, One Religion, One God." This philosophy was meant to emphasize the universality of all religions, and to promote an inclusive, tolerant and harmonious society. Narayana Guru also stressed the importance of individual spiritual practice, and urged his followers to seek the divine within themselves.

Narayana Guru passed away in 1928, but his legacy lives on through his teachings, writings, and the institutions he established. He is widely regarded as one of the greatest spiritual and social reformers in the history of India, and his message of social equality and universal brotherhood continues to inspire people around the world.

New World

Moon goes to bed,
Sun wakes me up .
Starting up my new day,
With an unfed stomach .

I get involved with this busy world ,
By playing acts and different roles .
I trust everyone quickly ,
But also I can complete my goals .

Shining light is my opportunity ,
I am stuck in a dark place .
Problems are my jewellery ,
Which I wore on my own neck .

New World is a race of victory ,
Everyone wants it easily .
Hard work is the key ,
True guide , helps in the victory .

The Path to Success

The path to greatness lies ahead,
With knowledge as our trusted guide,
Our minds will soar, our spirits are fed,
As we explore, learn and abide.

Though challenges may come our way,
And doubts may cloud our every thought,
We must stay focused, come what may,
For the lessons learned are worth a lot.

With discipline and perseverance,
We can conquer every task we face,
For the reward of knowledge's appearance,
Is a joy that cannot be replaced.

So let us push ourselves to strive,
To achieve our very best each day,
For knowledge will help us thrive,
And lead us to success in every way.

"You only live once" really??

"You only live once" they said
But my trivial life don't know how to live a life instead
The time is still ticking but not in my clock
Others are going ahead but I'm unable to walk
Yes" I only live once" just the same as rock
Always been a winner in imaginary games
But realised when life slapped me into real life games
Yes" I only live once" to face to be ashamed
The struggles are so much that i forgot to turn the pages
The "problem chapter" can't be re read again and again
over ages
Maybe the next chapter can be full of happiness of
contagious
Yes" I only live once" but not in the cages
Let me stop the countdown of my death
Explore the world till I've air to breath
Will Learn from my mistakes with so depth
And Still they said "You only live once"
Nah! "I LIVE EVERYDAY,I JUST DIE ONCE"

Friendship

When I didn't know anything
Friendship gave identity again
Then friendship happened.
Met like strangers,
But in a few days life became
When all is against me,
That's why you stand with me.
This is life so meet friends.
Trouble, he explains.
Some say harsh words.
When there is enmity with someone, we are with you,
you will see him, he also consoles by saying the same.
Don't know how many sorrows this friendship makes
you forget, friendship always embraces you with love

"First year worders: Navigating college life "

Your first year of college, oh what a ride,
With new faces to meet and new paths to decide,
Lectures and papers, exams and grades,
The pressure mounting in all the different ways.

Yet amidst the chaos, you found your way,
Forged new friendships, and learned every day,
Expanding your mind and your horizons too,
Discovering passions, and skills anew.

Some days were tough, but you pushed on through,
Determined to succeed, to see it all through,
And now you stand, at the end of year one,
With pride and confidence, and so much fun.

For college is more than just books and classes,
It's a time to grow and to seize life's chances,
So here's to you, on this special day,
And to all the adventures that come your way.

My Amazing First Year at College

I still remember my first day at college, full of excitement and nervousness. Little did I know that the next few months would be some of the most amazing and memorable times of my life. One of the best things about my college was the people. I met so many new people in my class, and we quickly became friends. We had a lot of fun together, and I loved being part of a supportive and friendly community.

I also got involved in a lot of activities, both inside and outside the classroom. I remember the face painting competition in the Sanskriti event, where we got to show off our creativity and have a blast. The bridal make-up competition was another highlight - I had always been interested in makeup, and it was great to have the chance to showcase my skills. And of course, the Future Manager Quiz and PPT competition were also great experiences that helped me develop my skills and knowledge.

But what really stood out to me was the extra-curricular activities. My college offered a lot of options, from sports to music to debate.

I tried my hand at a few of them, and it was a great way to explore new interests and make new friends.

One of the most memorable experiences I had during my first year was our industrial visit. We got to visit a company and learn about its operations, and then we went to Imagica water park. It was so much fun going on the water rides and spending the day with my classmates. We also visited Taj Lands End as an audience for the Speak India debate competition, which was another fun experience.

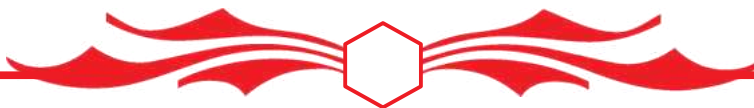

And then there was Oasis 2k23 - an amazing two-day event with a lot of activities and a DJ night. The fashion show, dance performances, and other activities were all so much fun. I had never walked the ramp before, but I did it with confidence, and it was such a great experience.

Of course, studies were also a big part of college life. While I wasn't always the best student, I had some amazing teachers who supported me and encouraged me to participate in new things. Naveena mam, Rishita mam, Rajesh sir, and others made a big impact on me, and I will always be grateful for their guidance.

Looking back, I realize how fortunate I was to have such a great college experience. It was a time of learning, growth, and fun, and I will always cherish the memories I made there. I can't wait to see what the rest of my college journey has in store for me!

"College is not just about getting good grades, it's also about exploring new interests, making friends, and challenging yourself to grow. Don't be afraid to try new things and get involved in activities that you're passionate about - these experiences will help you develop skills and discover your strengths. And remember, while studying is important, it's also important to find a balance and make time for the things that bring you joy and fulfilment."

एक शिक्षक का महत्व

शिक्षक माता-पिता के बाद होता है, वह एक छात्र के जीवन में एक पिता और माता का स्थान रखता है। माता-पिता बच्चे को जन्म देते हैं,

एक बच्चा इस दुनिया में अनजान आता है, एक शिक्षक बच्चे के जीवन को अर्थ देता है।

एक शिक्षक बच्चे को धरती से आसमान तक ले जाता है, वह एक बच्चे को अपने पैरों पर खड़ा करता है। यदि शिक्षक न होते तो डॉक्टर, इंजीनियर, वैज्ञानिक आदि न होते।

शिक्षक राजा नहीं होता लेकिन शिक्षक राजा बना सकता है। एक राजा भी एक शिक्षक की मेहनत का फल होता है। एक शिक्षक अपने छात्रों को अधिक सीखने और अधिक बनने के लिए प्रेरित करता है।

एक शिक्षक एक छात्र का सबसे अच्छा मार्गदर्शक होता है, एक शिक्षक सबसे अच्छा दोस्त हो सकता है, एक अच्छा नेता, और किसी के जीवन में एक महान प्रेरक इकाई हो सकता है।

कायनात ने किया कोई हसीं सितम

उस निकलती ट्रेन के साथ मेरी भावनाओं को भी मैं अलविदा कर दूंगा। लौट आऊंगा अपने असली रास्ते पर। लौट आऊंगा अपनी औकात पर। बन जाऊंगा फिर से उस जाबाज बाज की तरह। और कभी नहीं भूलूंगा इस चार दिनों के प्यार को। मुकर जाऊंगा मैं उससे। कह सकता हूँ अपने आप को सौ बार... नहीं करूंगा मोहब्बत अब की बार।

बस कुछ चांद लम्हे इस रेलवे स्टेशन परसोचा था अपनकर देखता हूँ कैसा लगता है। ऐसा लगता है जैसा जहरीला अमृत पी रहा हूँ।

मानोगे नहीं पर.... जैसी ही ट्रेन ने रास्ता पकड़ा। खड़ा था मैं वहाँ। उस ट्रेन को देखकर बहुत दिनों बाद लगा जैसे कोई जा रहा है अलविदा कहकर।

पर वैसे ही ज़िम्मेदारी ने मुझे कॉल लगाया। जैसी की सारी कायनात मुझे कहे रही हो कि सही मोड़ आया है जिंदगी में।

शुक्रिया अदा करता हूँ उस बेवफा का, उस ट्रेन का और इस मौके का।

रहेगा एहसान सदा इस कायनात का...

कॉलेज का जीवन

कॉलेज के वो दिन, लौट के ना आएंगे।
फिर से वैसे दोस्त, ना कभी मिल पाएंगे।

कैंटीन की वह चाय,
कक्षा के लिये ही कभी समय पर ना पहुँच पाए।

यारो, चाहे कितने दूर जाओ,
पर साथ रहेंगे यादों के साये।

एक साथ कैंटीन में बैठके, लोगों को उतारना।
ग़लती सबकी होती थी पर, किसी एक पर बिल फाड़ना।

जन्मदिन के केक का, जो होता था बुरा हाल।
कॉलेज में सब गरीब होते थे, पैसों का रहता था काल।

बेचारे छात्रावास वालों के, अलग होते थे रोने।
ना अच्छा खाना और कपडे भी थे धोने।

हर हंसी ☺ और गम ☹ में, हम एक दूजे के साथ खड़े थे।
हर मुसीबतों में यह कदम, साथ में आगे बढ़े थे।

एक छोटा सा परिवार, बन गया था हमारा।
दोस्त ही होते थे, एक दूजे का सहारा।

कॉलेज के वो दिन, लौट के ना आएंगे।
फिर से वैसे दोस्त, ना कभी मिल पाएंगे। ।...♥✧

बाप तो बाप असतो.....

बाप हा बाप असतो
एकेकाळी साबण लावून दाढी तो करतो
मुलाला मात्र महागड जेल तो आणून देतो
मुलाच्या आनंदात स्वतः चा आनंद तो पाहतो
कारण बाप तो बाप असतो.....

बायकोशी भांडताना तो नेहमी नमते घेतो
केवळ वाद वाढू नयेत म्हणून संयमाने तो वागतो
आपल्यासाठी तो नेहमी माघार घेतो
कारण बाप तो बाप असतो....

जगासमोर आनंदाचा मुखवटा तो लावून फिरतो
कुटुंबात नेहमी हसतमुखाने तो वावरतो
पण एकटा असताना मात्र तो खुप रडतो
कारण बाप तो बाप असतो...

मुलीचे ब्युटी पार्लर, बायकोची साडी, EMI आणि हाप्ते
यांमध्ये पगार त्याचा संपतो
स्वतः मात्र जुनी पैंट वापरून एका शब्दाने तक्रार करत
नसतो
कारण बाप तो बाप असतो....

मुलाच्या नोकरीसाठी जिना चढून तो धापा टाकतो
स्थळासाठी मुलीच्या तो उंबरठा झिजवतो
शेवटच्या श्वासापर्यंत मुलांच्या सुखासाठी तो राबतो
कारण बाप तो बाप असतो....

डोळ्यात एक अश्रूही येऊ देत नसतो
प्रेमाचा निर्मळ झरा सतत वाहत असतो
मूल कितीही मोठे झाले तरी इवल्याशा पाखरासारखा
जपतो
कारण बाप हा बाप असतो...

सतत आईचे गुणगान आपण ऐकतो
सगळे म्हणतात आईची माया वेडी असते
पण बाप हा कुटुंबाचा भक्कम पाया असतो
कारण बाप हा बाप असतो...

डॉक्टर

डॉक्टर, ते पण एक माणूसच आहे, तरी आपण कधी कधी
का विसरतो आणि त्यांना दोष देऊन बसतो? आपल्या पेक्षा
त्यांना काळजी असते, त्यांच्या पेशंट ली आपण सनपतो
कि फक्त ते त्यांच काम करत आहे.

एक डॉक्टर जेव्हा आपल्या पेशंट रति किती जोडलेल्या
असतो ते फक्त एक doctor हेच समझून राकतो.

दिवस डॉक्टर आपली परिवार सोडून दिवस रात्र फक्त
हेच विचार करतो कि त्यांच्या कडून कधी चुकी नको
होईल कारण जर त्यांची एक चुक आणि माणूस राहणार
नाही ते त्याचे पूर्ण जीव लावतो त्यांच्या पेशंटला वाचवया
साठी.

जेव्हा एक पेशंट जातो ना तर त्या डॉक्टर विचार करतो
कि काय अशी चूक साली मारूया करून की मी पेशंटला
वाचू शकलो नाही ते स्वतः मध्येच तूटून जातात.

जेव्हा कुठे accident होत तेव्हा त्याचा मन हेच बोलते कि
कोणाल जास्त serious घेंबलमा नको पण अशा प्रकाराचे
accidents नको हाईला एक कामगार हमेशा हेच बघतो
कि ते आले के त्याचा दुकान चालेल आणी त्याच्या मुळे
तेच घर चालले पण एक doctor म्हणतो, कि आमच्या
कोणी पेशंट येऊ नका भले आमचं घर नको चालू.

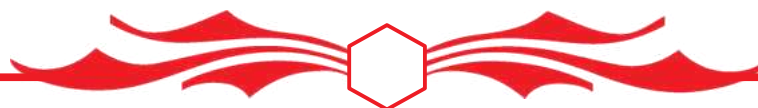

जेव्हा डॉक्टर ऑपरेशन टेटर मध्ये असतात ना तेव्हा
त्यांचा मनात तेच असतात कि कशी ही करून आम्ही
आमच्या पेशंटला वाचवणार आणि जेव्हा ओपरेशन
टेटरमध्ये काही complicated होते situations तर त्याला
पण ते handle करण्यात अस नाही की त्यांना भीति वाटत
नाही पण जर ते घाबरले तर पेशंट ल कोण सांभाळणार.

डॉक्टर म्हणाल तर एक देवाचा दुसरा रूप.
