

Report on Awareness of Cyber Crime

(2022-23)

Date: 29th July 2022

Venue: Sree Narayaa Guru College of Commerce, Chembur

Organized by: Internal Quality Assurance Cell (IQAC) in association with B.Sc. I.T. department

Introduction: In the wake of the rapidly evolving digital landscape, where technology intertwines with almost every aspect of our lives, the threat of cybercrime looms larger than ever before. Recognizing the critical need to educate individuals about the risks associated with cyber activities and the measures to safeguard against them, Sree Narayaa Guru College of Commerce, Chembur, in collaboration with its Internal Quality Assurance Cell (IQAC) and the B.Sc. I.T. department, organized a comprehensive workshop on "Awareness of Cyber Crime."

Objective: The primary objective of the workshop was to provide participants with a deeper understanding of the various forms of cybercrime, the methods employed by cybercriminals, and effective strategies for enhancing cyber security.

Speakers: The workshop featured distinguished speakers who brought extensive expertise and experience in the field of cybercrime:

Mr. Kishor Shinde - Senior Police Inspector, Cyber Crime, Deonar Police Station: With a wealth of knowledge gained from years of combating cybercrime on the frontline, Mr. Shinde provided invaluable insights into the evolving landscape of cyber threats and the latest trends in cybercriminal activities.

Ms. Sheetal Mundhe - Police Inspector: Ms. Mundhe, an accomplished professional with specialized expertise in cyber security, shared her insights into the importance of adopting proactive measures to fortify digital defenses and mitigate the risks posed by cyber threats.

Session Overview: The workshop commenced with an illuminating session by Mr. Kishor Shinde, who elucidated the various forms of cybercrime prevalent in contemporary society. Drawing from real-world case studies and examples, Mr. Shinde highlighted the modus operandi of cybercriminals, including phishing scams, identity theft, malware attacks, and financial frauds. Through engaging narratives and interactive discussions, participants gained a deeper appreciation of the multifaceted nature of cyber threats and the potential consequences of falling victim to such crimes.

Following Mr. Shinde's presentation, **Ms. Sheetal Mundhe** took the stage to delve into the realm of cyber security. With a focus on preventive measures and best practices, Ms. Mundhe elucidated the importance of cultivating a culture of cyber hygiene among individuals and organizations. Topics covered included the significance of robust password management, the role of encryption in safeguarding sensitive data, and the importance of regular software updates and

security patches. **Ms. Mundhe** also emphasized the need for continuous vigilance and awareness-building efforts to stay one step ahead of cyber adversaries.

Interactive Session: The workshop included an interactive segment wherein participants had the opportunity to engage directly with the speakers, ask questions, and share their experiences related to cybercrime. The interactive dialogue fostered a collaborative learning environment, allowing attendees to glean practical insights and actionable strategies for enhancing their cyber resilience.

Conclusion: In conclusion, the workshop on "Awareness of Cyber Crime" proved to be a resounding success, attracting a total of 112 participants from diverse backgrounds. Through the collective efforts of the organizers, speakers, and attendees, the event succeeded in its mission of raising awareness about the pervasive threat of cybercrime and empowering individuals with the knowledge and tools to combat it effectively. The organizers express their sincere appreciation to Mr. Kishor Shinde and Ms. Sheetal Mundhe for their invaluable contributions to the workshop's success.

Acknowledgments: The organizers extend their heartfelt gratitude to all the participants for their enthusiastic participation and active engagement throughout the workshop. Special thanks are also due to the speakers, Mr. Kishor Shinde and Ms. Sheetal Mundhe, for their invaluable insights and expertise shared during the sessions.
