Stakeholders Feedback Analysis

Sree Narayana Guru College of Commerce recognizes that the teaching-learning system followed by an educational institution needs continuous enhancement. To capacitate this process the institution adopts a feedback system that takes suggestions from various stakeholders viz. students, parents, alumni, teachers, and employer on various parameters about curriculum. The feedback received from them are analyzed and reviewed then implemented suggestions wherever possible, Such as to improve the teaching and learning process, to instill employability, and to develop communication skills by adding various certification courses.

Students Feedback

Assessment Method:

Description of the assessment process	Feedback is collected from students using a offline form, and various aspects such as portion completion, Academic performance and Infrastructure ambience, etc. are covered in the students' feedback forms.
Assessment Frequency	Once in a year
Assessed By	Institute
Reviewed By	Institute
Analysis Method	Questionnaires are constructed on a 5-point scale, and responses from students are collected, with responses 4 points and 5 points considered for analysis and chart representation are done accordingly.

Feedback Report (2022-2023)

The internal quality assurance cell makes it a practice to mandatorily collect feedback from various stakeholders, including students, teachers, parents, employees, and alumni, in order to improve the overall quality of education and campus experience. The feedback received has been carefully analyzed, and appropriate actions have been taken to address the concerns raised by each stakeholder group.

Students: - Students' feedback emphasized the need for improvements in canteen cleanliness, classroom infrastructure, and assistance with placement and internships. In response, the college has extended the canteen facility, appointed a new contractor to ensure high-quality food at affordable rates, and increased the area of the canteen. Regular inspections of classrooms have been scheduled to maintain optimal infrastructure. The college has also organized a job fair, pursued MoUs with prominent companies, and proactively sent students' resumes to appropriate industries to enhance placement and internship opportunities.

Teachers: - Teachers provided feedback regarding the need for improved ICT facilities and better monetary aspects. To address these concerns, the college has procured laptops, installed projectors in every classroom, and equipped select classrooms with smart boards to enhance ICT teaching and learning. The management has also decided to increase salaries to ensure fair compensation for the faculty and staff.

Parents: - Parents expressed the need for installment facilities and flexibility in payment options, as well as more career guidance lectures and placement assistance. The college has implemented norms for installment facilities based on students' circumstances and family backgrounds. Comprehensive career lectures have been organized to provide information on various career options, and placement support services have been established to assist students in navigating the job market successfully.

Employer: - Employer expressed the need to enhance the technical and employability skills of its students. These include offering a diverse range of certification courses that align with industry needs, providing every student with the opportunity to enroll in these courses, and covering a wide range of relevant subjects. By offering certifications highly sought after in the industry, the college aims to bridge the gap between academic learning and practical application, ensuring that students acquire in-demand skills and remain competitive in their chosen fields. These initiatives demonstrate the college's commitment to producing well-prepared graduates who possess the necessary competencies to succeed in the industry.

Alumni: - Alumni highlighted the importance of good placement opportunities and exposure to outreach programs. The college has organized job fairs, pursued MoUs with companies, and actively promoted students' resumes to enhance placement prospects. Additionally, the college has encouraged students' participation in outreach programs such as Distance Learning and Lifelong Education (DLLE) and National Service Scheme (NSS), and has organized annual industry visits for real-world exposure. The feedback analysis also brought attention to the need for improvements in drinking water facilities and campus ambience. The college has installed drinking water facilities on all floors and is committed to maintaining cleanliness and providing a visually appealing campus through landscaping and maintenance of green spaces.

Overall, the Sree Narayana Guru College of Commerce has taken significant actions based on stakeholder feedback to improve various aspects of the institution. By addressing concerns related to infrastructure, placement, career guidance, financial flexibility, and campus facilities, the college aims to provide a better educational experience for all stakeholders involved.
