

SREE NARAYANA GURU COLLEGE OF COMMERCE

Nature Club

Project Sanyamdhanam

Report:

Sree Narayana Guru College of Commerce had started Nature Club in the month of September 2024. Nature Club had started an initiative where the members of Nature's Club will be selling vegetables which will be grown in the college vicinity by the students who are the members of Nature's Club. Students of Nature's Club also used Terrace Farming which was grown in the 6th Floor Library Arena, and Outdoor Farming in the College Campus. Students started the project in the month of October where the Indoor Farming was started on October 1st 2024 which was inaugurated by Honourable Shri. M.I Damodharan (President of Sree Narayana Guru Samiti) and also Honourable Dr. Jayashree Venkitachalam (Principal, SNGC) along with Joji John (Nature Club, Convenor).

The main aim of Project Sanyamdhanam was to sell vegetables to the people in Chembur Area for a reasonable price. Harvest Month for Project Sanyamdhanam was started from 2nd December 2024 and finished by 3rd January 2025 .

Project Sanyamdhanam is a joint hard work of students & teachers of Nature's Club.
